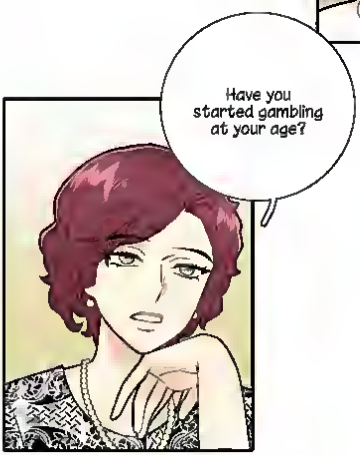
Cherry Boy, That Girl

Chapter 91

Director of the Board

Hello, Auntie? You get more beautiful by the day!
Kya
Boisterously!
Pear.

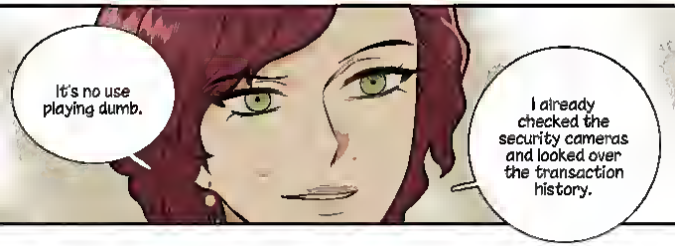
You reached the limit on the card I gave you? Isn't that a lot for a student to spend?



Have you started gambling at your age?

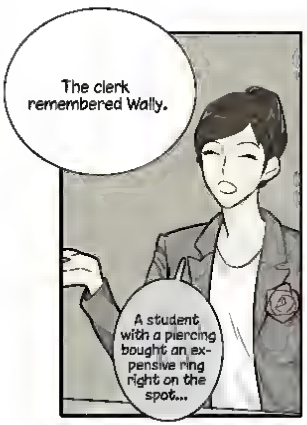
Yes, well I guess it was like that. I spent a lot playing card games.
Hahaha
I was trying to get a rare card and I didn't realize... Haha...
You're lying.
Huh?

Wally was the one who used the money, right?
CHIEF DIRECTOR
HAN OK KYUNG



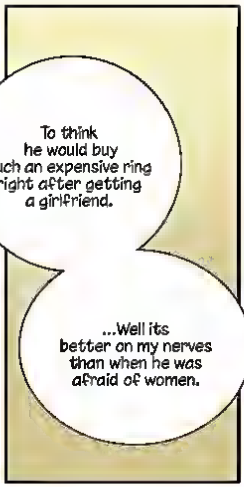
It's no use playing dumb.
I already checked the security cameras and looked over the transaction history.

Wally seems to have bought a pair of rings.
She told me to use the card how ever I wanted but she's been watching me the whole time



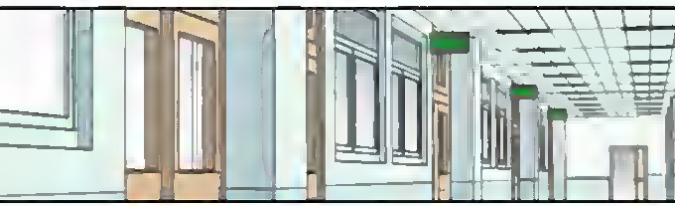
The clerk remembered Wally.
A student with a piercing bought an ex-pensive ring right on the spot...

Considering that he s from this family, he was being really generous...
He s my kid but I have no idea what he was thinking.

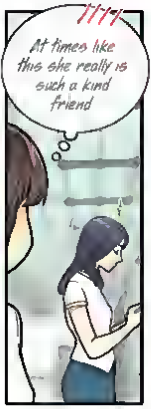


To think
he would buy
such an expensive ring
right after getting
a girlfriend.
...Well its
better on my nerves
than when he was
afraid of women.

I'm not sure
whether to be
happy about this
or not.



I'm still not done with cleaning.
I'll just play games on my phone while I wait. Hurry and finish up.



At times like this she really is such a kind friend

TOIL

Uh...

Shake

Squeak

Shake
Shake

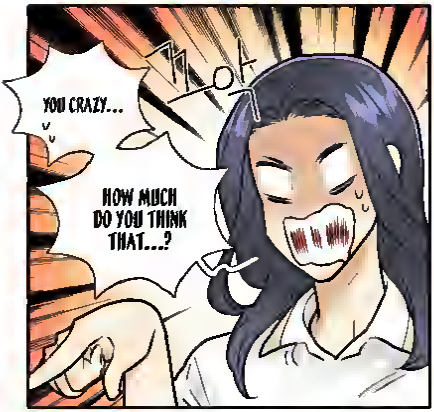
Dude, why are you cleaning so thoroughly?
It's missing.

SFX: Sweeeep

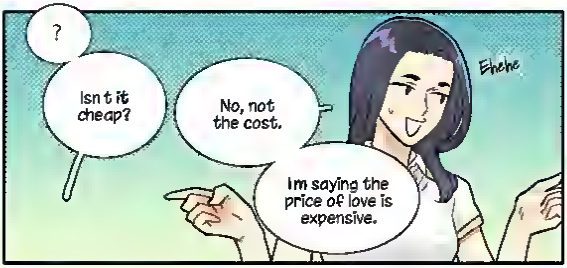
What is?
My ring!
The couple ring Wally gave me is gone!

I left it on the sink to clean but...
Now its gone.



YOU CRAZY...
HOW MUCH DO YOU THINK THAT...?

SFX: Roar



?
Isn't it cheap?
No, not the cost.
Ehehe
I'm saying the price of love is expensive.

Did you look for it carefully?
Yeah...
Are you sure you left it here?
I took it off for a moment to clean.

Hmm
Grind
Grind

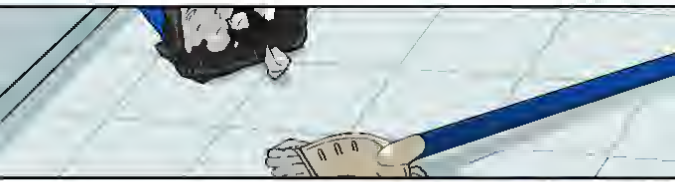
Let's get Cinna and thoroughly search the place.
I'll give him a call.
Ok.

Did someone steal it? Did they do it on purpose even though it's cheap?
Or did someone think it was lost and just take it?

If I'm lucky I still might find it!
Please be there!

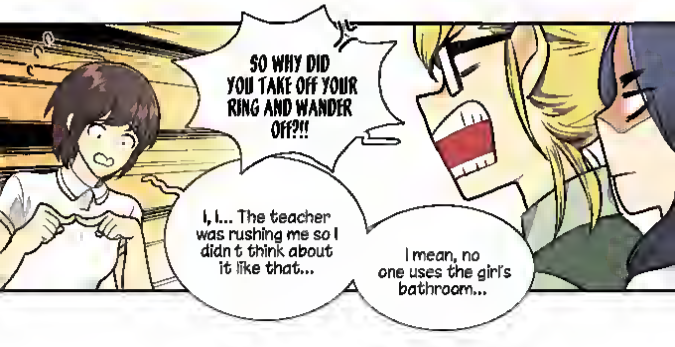
SFX: Dash

women
TOILET



It's gone.

At least it's definitely not here.
I'm certain someone took it.



SO WHY DID YOU TAKE OFF YOUR RING AND WANDER OFF?!!
I, I... The teacher was rushing me so I didn't think about it like that...
I mean, no one uses the girl's bathroom...

YOU'VE GONE INSANE.
POOR WALNUT KANG. HOW MUCH DO YOU THINK THAT...?
Hey, hey.
카
카

카

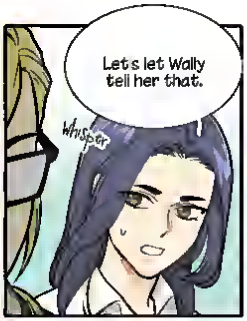
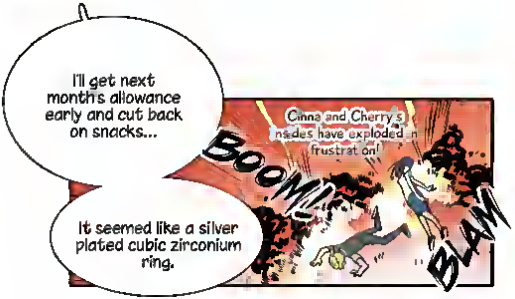
SFX: Rage



Let's let Wally tell her that.
Whisper

If I can't find it, I have no other choice.
I'll have to take responsibility and buy a new one.
WHAT?
HOW WOULD YOU AFFORD THAT?
ARE YOU GOING TO SELL YOUR ORGANS?

Wh-what are you talking about.
Shouldn't even I be able to afford it even if I don't go that far?



I'll get next month's allowance early and cut back on snacks...
It seemed like a silver plated cubic zirconium ring.
Cinna and Cherry's insides have exploded in frustration!
BOOM!
BLAM

Wheeeew...
Huh?
Haaa.....
Hoo
Haa
Why are you guys being like this?

We'll be on our way, so go talk it over with Wally.
Can't I just buy a new one without Wally knowing and pretend it didn't happen?
I might still be able to find it too...

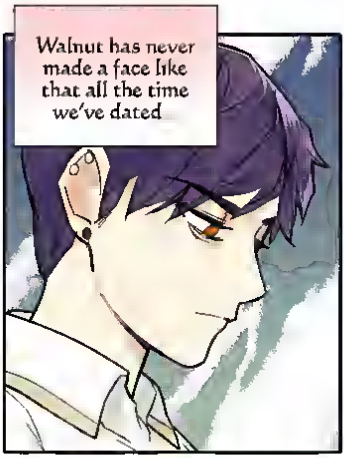
DO YOU THINK THAT THIS IS A PROBLEM THAT CAN BE SOLVED JUST LIKE THAT?!
GO AND BEG TILL YOUR HANDS FALL OFF!

GUH
They're being really hard on me...

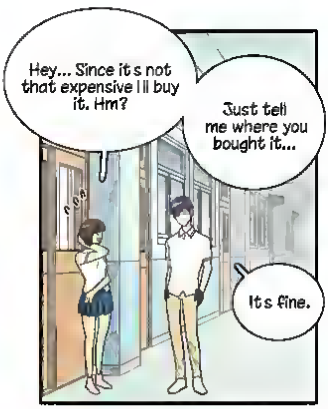
Is this such a big deal that they should get heated up like that?
Too harsh...

Did...?
Did you just say you lost it?
Yeah. Accidentally... I think I lost it.
I'll buy a new one if I can't find it.
.....
That's a shame.
Don't worry about it.

...!
He's avoiding my eyes



Walnut has never made a face like that all the time we've dated



Hey... Since it's not that expensive I'll buy it. Hm?
Just tell me where you bought it...
It's fine.

It's a little expensive for you to afford with your allowance. Just forget it.
...Oh.
I'm really sorry.

Even so, I might be able to find it.
You said it wasn't in the bathroom.
Uh, but still...

Staffroom

Someone could have picked it up and left in in the staffroom so...

Cherry Boy, That Girl

Chapter 92

You wrote it on the Staffroom board?
Yeah, and I asked the broadcasting club if they would do me a favour...
Even the broadcasting club?

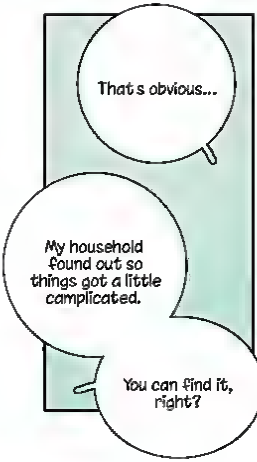
My god.
You advertised everywhere that you lost it?
You have a call
Um, huh? Why shouldn t I?

I just wanted to find it faster...
Yes, hyung it's me.
Yes? Ah, yes. I did buy it from there...

I got ignored...
Yes?
Why does mother... yes.

I understand. I'm hanging up.
Is it Pear oppa?
I'll be going home so talk to you there.
Is something wrong?

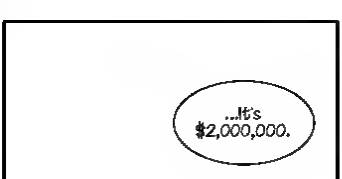
We really need to find that ring.
Sigh
Huh?



That s obvious...
My household found out so things got a little camplicated.
You can find it, right?

...Hey
If I can t find it, maybe I can buy another with my own money...

That works too.
You said it was cheap.



...It's $2,000,000.

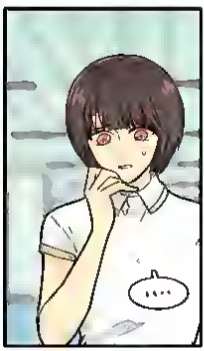
Your ring, and my ring combined was $2,000,000.
For you to buy the ring you need one million dollars.

W-wait.
You definitely said it was a cheap ring...
I just decided to tell you that.

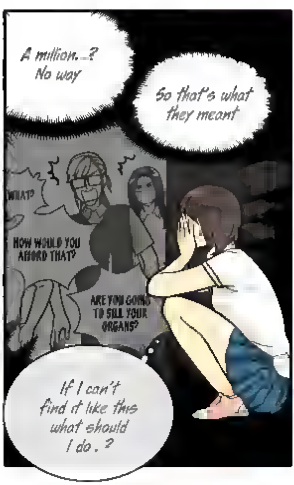
I wanted to get you a good ring but
you are so materialistic so I thought it'd be pouring oil on the fire. I thought keeping a secret was better.

But you really lost it quickly.
I wonder if it would have been different if I told you it was expensive from the beginning.

I'll head home.
Call me if you find it.
Yeah, ok... sure.



.....



A million...? No way
So that's what they meant
WHAT?
HOW WOULD YOU AFFORD THAT?
ARE YOU GOING TO SELL YOUR ORGANS?
If I can't find it like this what should I do..?

But now that I lost it, I got so scared that I wouldn't be able to find it so...

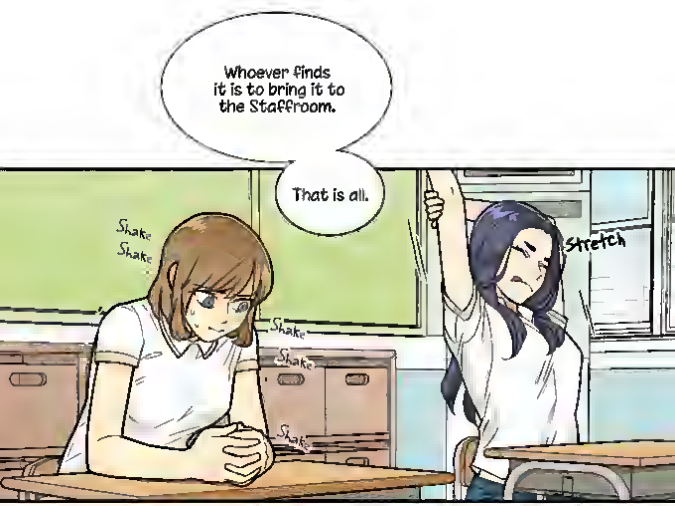
I consoled myself by saying 'It was something cheap'...

It'll sound like an excuse no matter how I say it

Why am I always like this?

There's a ring on the lost items list. Has anyone seen it?
Nah
I don't know.

Eh... There's a kid that lost a ring in the girl's bathroom.



Whoever finds it is to bring it to the Staffroom.
That is all.

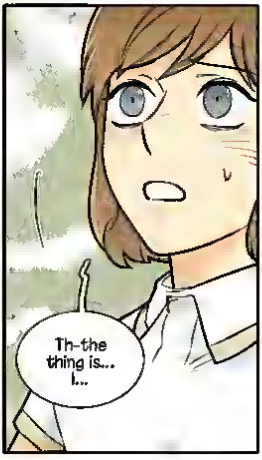
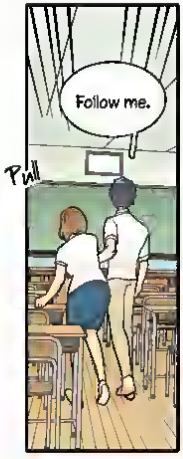
Huh? What are you doing here?
I have something to do.

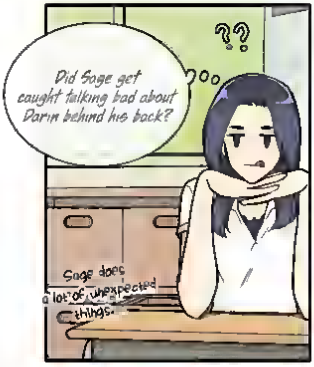
You, I heard you were talking behind my back.
Let's go have a talk.
!



Th-the thing is... I...



Follow me.
Pull



Did Sage get caught talking bad about Darin behind his back?
Sage does a lot of unexpected things.

I don't know what you heard from who.

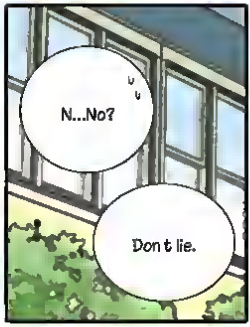
I never spoke bad about you!
This is just a misunderstanding.

I know.
Huh?

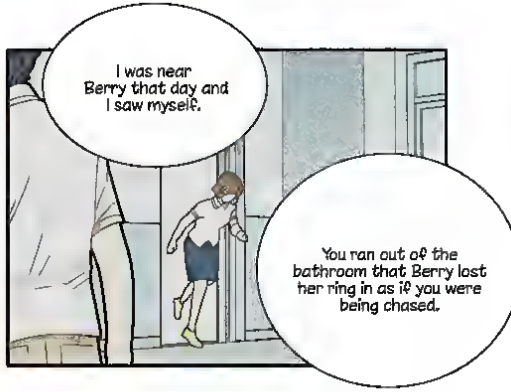
I just made something up because there were a lot of witnesses in the classroom. Cherry Kim too
It would get bothersome if I get suspected.
What?

Stop this and turn in the ring.

You stole it, right? Strawberry Shin's ring.



N...No?
Don t lie.



I was near Berry that day and I saw myself.
You ran out of the bathroom that Berry lost her ring in as if you were being chased.

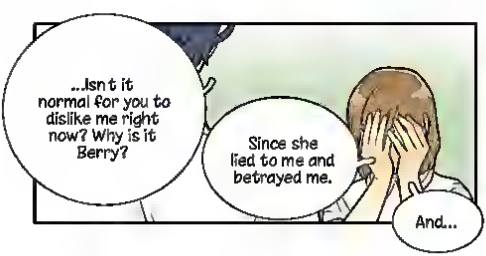
It's only a matter of time before people find out.
If you're that embarrassed, give it to me. I'll take care of it.
I-I don't have it.
Don't pretend you don't know.
I don't have it.

I flushed it in the toilet and left!

You're crazy, right? Why would you do something like that?!
Why did you do that?

I didn't like...
If you didn't like me you should have gotten mad at me not Strawberry Shin!

NO, I... DON'T LIKE BERRY!
What?



...Isn't it normal for you to dislike me right now? Why is it Berry?
Since she lied to me and betrayed me.
And...

I don't hate you.

Do you still like me?

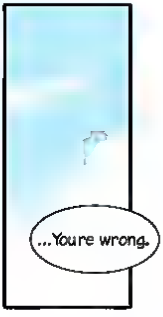
Does she not know how to hide her emotions? Or is she just putting on a show?
Even her ears went red.

If you hate Berry enough to do criminal activities,
shouldn't you hate me a lot more?
Why aren't you saying anything to me?

Let's say you did it for revenge on Berry because you don't like her.
Even so, you must still have something against me, even if you like me.
You should have felt better if you got revenge on me. Are you stupid?



...You're wrong.

I don't want to hurt you.

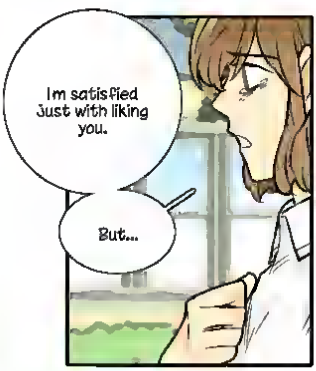
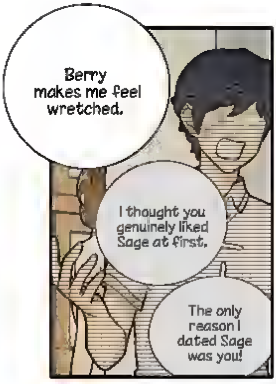
Cherry Boy, That Girl

Chapter 93

You know that... you and I broke up right?
I know that too...
but that doesn't matter.
You might not understand.

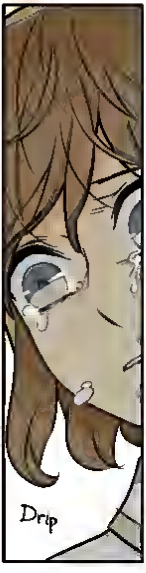


Im satisfied just with liking you.
But...

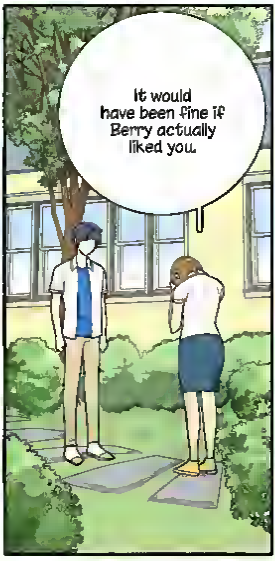


Berry makes me feel wretched.
I thought you genuinely liked Sage at first.
The only reason I dated Sage was you!

She acts like everything revolves around her happiness.
And even though she doesn't like you, she made me...



Drip

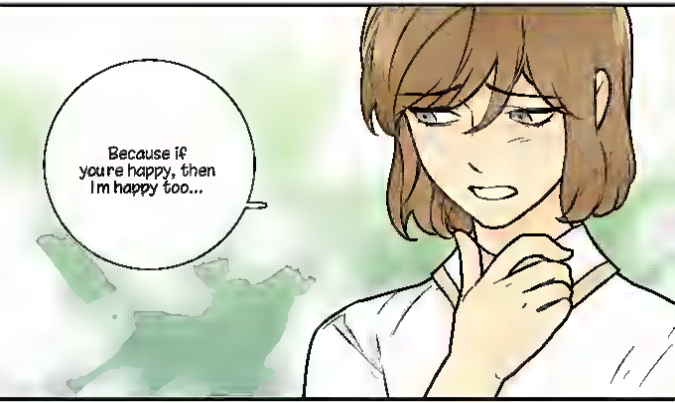


It would have been fine if Berry actually liked you.

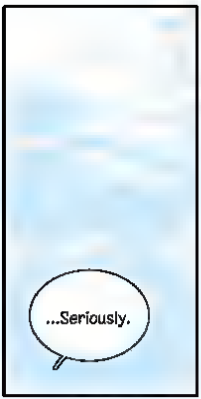
How would that help?
Wouldn't you just be Jealous then?
That would work for me but...
W-well of course I'd be Jealous but,

still...

Rather than you getting ignored and having unrequited love...
I'd prefer you two dating.



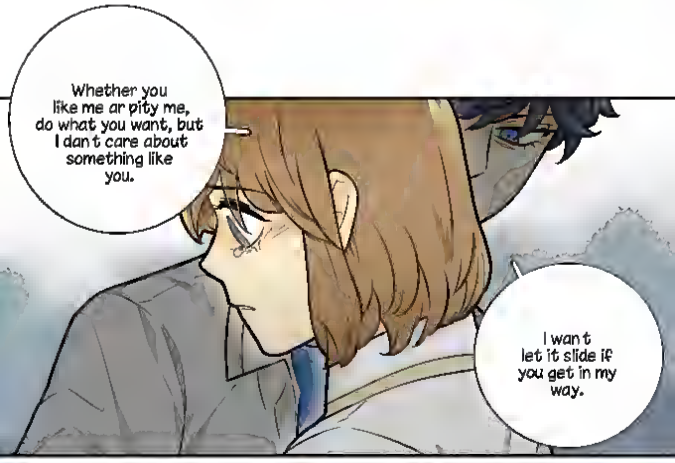
Because if you're happy, then I'm happy too...



...Seriously.

I don't know what kind of story you're telling yourself but,
in the end, you're saying you caused all this chaos for your own sake.

I don't mean that...



Whether you like me or pity me, do what you want, but I don't care about something like you.
I won't let it slide if you get in my way.

Slide~
Wooah~
Darin~

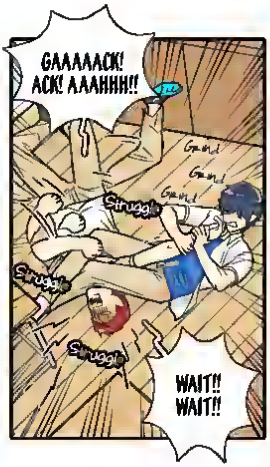
You're a real cool guy, aren't you?
What, why did you eavesdrop?
Who told you to talk in front of the 2nd years building?

What did Sage say to make you pull a face like that?
Something ridiculous.
Like "she'd be happy if I was happy" and "she's satisfied with just liking me".
Oh that's lovely.

So you're saying you don't understand the things she's saying?

Not at all?
Well of cour...

IT'S NONE OF YOUR BUSINESS!! BESIDES THAT, YOU!
YOU'VE GOT NERVE KICKING ME OUT!
The thing about that is...
Crap, just a little bit more and I could have avoided this

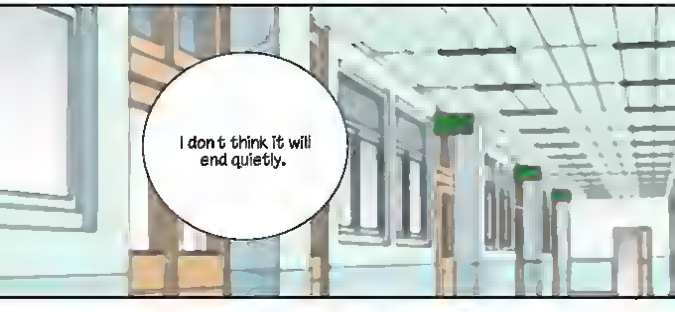


GAAAAACK! ACK! AAAHHH!!
Struggle
Struggle
Struggle
WAIT!! WAIT!!

BERRY... THE RING, DID YOU KNOW ITS BECOME A HUGE ISSUE?

What?
Ohhhhh...
ugh...
Where did he learn something like that?

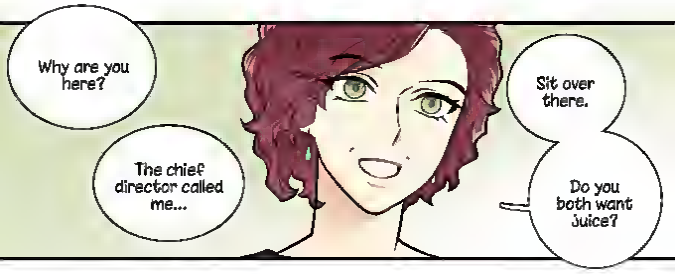
What do you mean, it became a huge issue?
Oh, well I happened to find out it that the ring was pretty expensive, the problem is...
Wally's parents know about it too, so.



I don't think it will end quietly.

Im home, mother.

You came?
Wally...
Strawberry Shin?



Why are you here?
The chief director called me...
Sit over there.
Do you both want juice?

Oh, thank y...
I heard you lost your ring?

Though it hasn't been long since you got it.

SFX: Shout x2

SFX: waaah

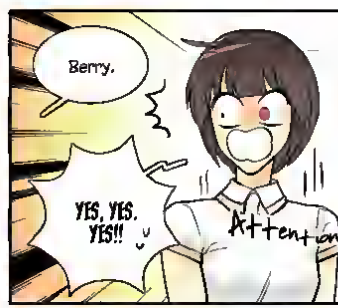
Wally did nothing wrong,
It's all my fault.

Calm down, Ms. Strawberry Shin.

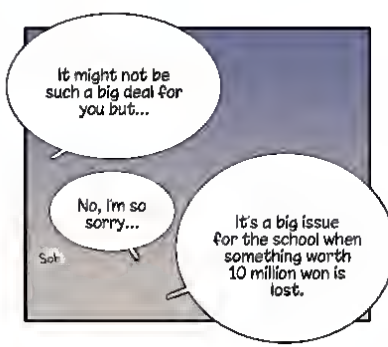
I called you here so I could ask you some questions and such.
Then why did you call me.
Did Pear hyung tell you about the ring?
No, I've been keeping an eye on Pear.

Why didn't you ask me for money if you needed it?

Then you've been watching me too?
Dear me, don't all mothers want to know what their sons do?
I'm sorry...



Berry.
YES, YES, YES!!
Attention

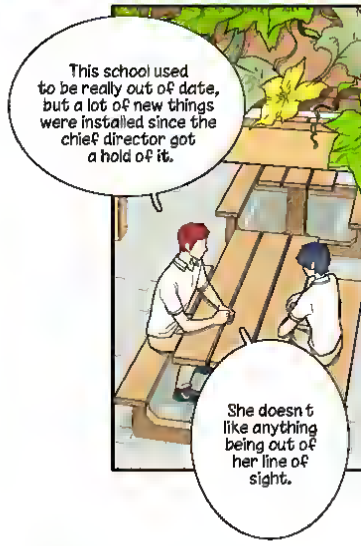


It might not be such a big deal for you but...
No, I'm so sorry...
Sob
It's a big issue for the school when something worth 10 million won is lost.

?
What are you trying to say?

More often than not items like that are stolen rather than lost.
Instead of just two people playing around,
I'm saying the school will take care of it.

What will happen if it doesn't end quietly?



This school used to be really out of date, but a lot of new things were installed since the chief director got a hold of it.
She doesn't like anything being out of her line of sight.

If you look around, there will probably be a few of them. Things like security cameras.
!

She seems to be investigating with those.
But from what I overheard...
They found something in the security camera footage.
Apparently there are kids suspected of stealing the ring.

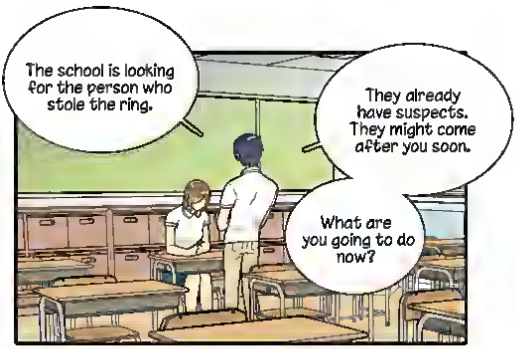
Hurry up so we can play basketball

Sage Dan.



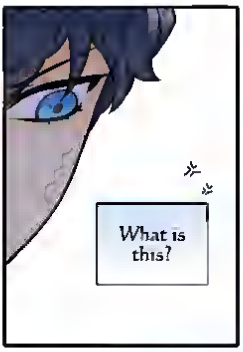
The school is looking for the person who stole the ring.
They already have suspects. They might come after you soon.
What are you going to do now?

Give me the ring before things get more serious.
I TOLD YOU I DON'T HAVE IT!
WHY DO YOU KEEP TRYING TO TELL ME WHAT TO DO!

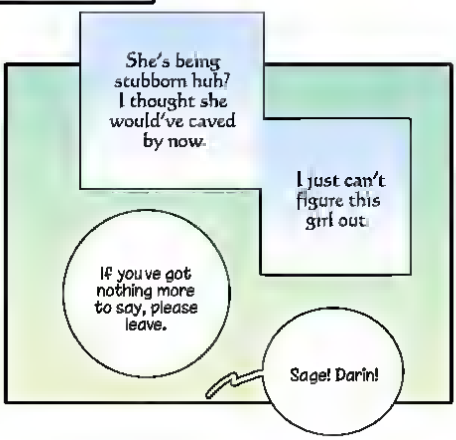
DON'T MEDDLE IN MY BUSINESS!
WHAT? YOU REALLY!?
DO YOU THINK THIS IS SOMETHING I CAN TURN A BLIND EYE TO?!!

Is she upset at what happened last time we talked?
Oh fine.
Do whatever you want.
Make a useless commotion.

Mind your own business, I won't cause you any trouble.

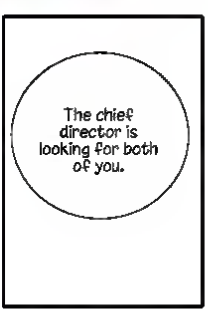


What is this?



She's being stubborn huh? I thought she would've caved by now.
I just can't figure this girl out.
If you've got nothing more to say, please leave.
Sage! Darin!

You're both here? What good timing.
Why?



The chief director is looking for both of you.

Thank you very much for coming.
Student Sage Dan. Student Mandarin Kim.
Director of the Board

Yes, but.
Why did you call us...?
Shake
Shake
I have something to ask you.

About your classmate Strawberry Shin losing her ring.
Crap I knew it would be about that
Now even the chief director...
I wonder. I don't really know. Losing a couple ring isn't all that uncommon.

It's not strange?
Dear me
No, since it's small and round it's easy to lose.
I really hope she'll leaved it at this

It might really be a common thing.

But...
Isn't it uncommon for a student's ring to be 10,000,000 wons?
Te-ten million?!
Walnut Kang that crazy bastard, something so expensive...

You two seem to be surprised at the fact that Berry's ring was so expensive.
It is just pure surprise?
Ah ha ha~

As I understand, both of you are close to Berry~
Am I wrong?
We're not that close.

Hahaha chief director,
isn't that a little harsh?
I mean we'll require them to drop out.
Wouldn't that be better than sending the culprit over to the police and having them go to court over 10,000,000 wons?

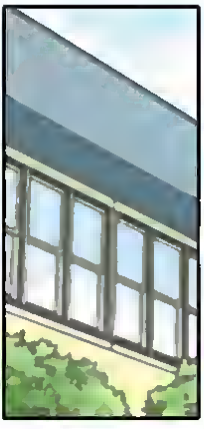
As long as I stay at this school as the chief director, I plan on solving these sort of crimes in a resolute and firm manner.

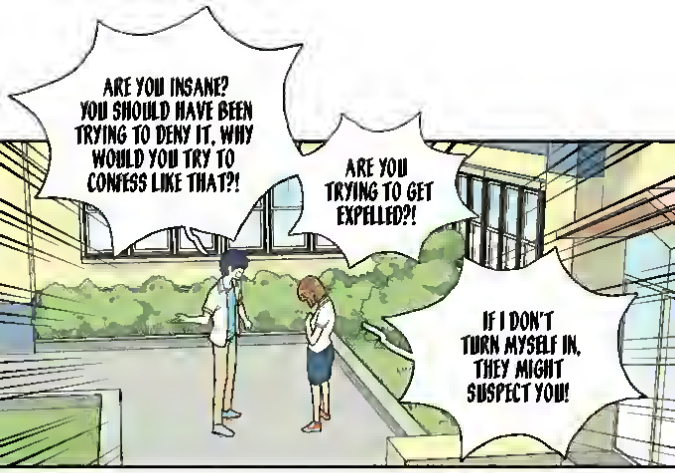
Well if they apologise and return the ring...
I may consider letting them off with milder consequences.
Whisper
If you turn yourself in I won't leave you alone.
Ahaha, is that so?
Shut up and stay still.
May we go now?

I'll take it that neither of you have seen Berry's ring?
...Not that I can remember.

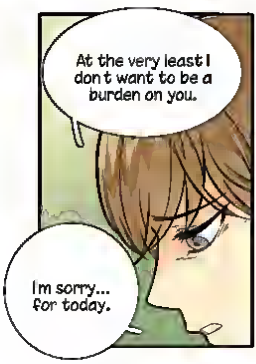
We're so dense that we can't even remember what we had for breakfast yesterday.
Ah ha ha
Dear me,
do you remember what you had for breakfast today?

Then we'll be on our way. Thank you.
Yes, good bye~

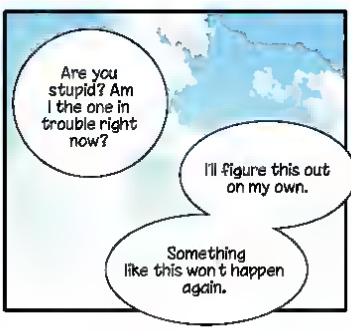




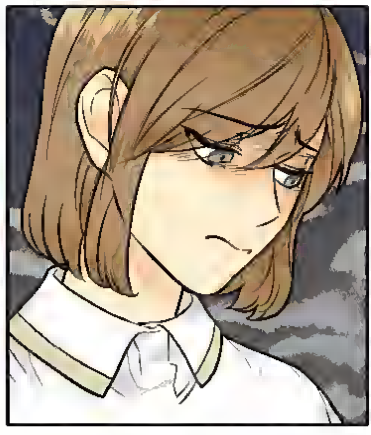
ARE YOU INSANE? YOU SHOULD HAVE BEEN TRYING TO DENY IT. WHY WOULD YOU TRY TO CONFESS LIKE THAT?!
ARE YOU TRYING TO GET EXPELLED?!
IF I DON'T TURN MYSELF IN, THEY MIGHT SUSPECT YOU!



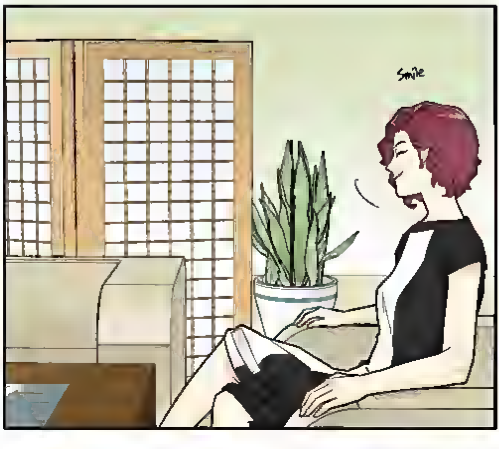
At the very least I don't want to be a burden on you.
I'm sorry... for today.



Are you stupid? Am I the one in trouble right now?
I'll figure this out on my own.
Something like this won't happen again.



I'm sure you'll be fine with a face that looks like you're going to drop dead any second
Ugh, why'd I have to get involved with something like this—



Smile

What do you think?
Click- clack

Who do you think is the culprit?
It can only be one of those two.
They're the only ones that we found by the bathroom in the security footage.

What is it? Why aren't you saying anything?
The thing is...
Was that thing about expulsion true?

And what if I say it is?

If I do expel one of those two,
are you planning to try and stop it?
It's no use.
Are you starting to feel it?

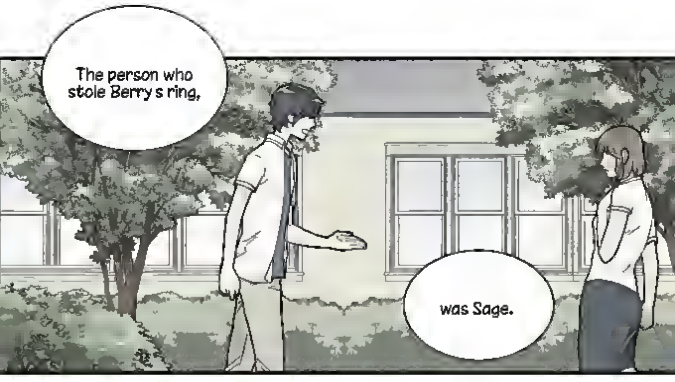
Sage might get expelled.
Expelled?

Why Sage? Did she cause some trouble?
What're you looking at!
Spit
Gasp
I didn't think of her that way

SFX: Sigh
No, it's not like that.

Cherry Boy, That Girl

Chapter 95



The person who stole Berry's ring,
was Sage.

...That worked out fine then?
What exactly worked out fine?
I mean, its better her then you.

I didn't tell you earlier, but you and Sage were the only suspects.
Figures...

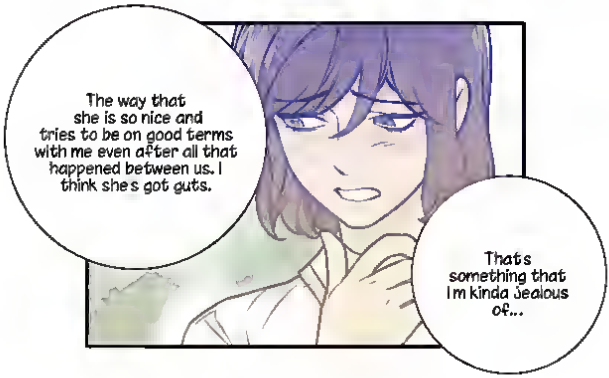
It's Sage's fault for doing it in the first place and it's something that she should deal with herself.
Don't give it too much thought.
.....

What? Are you getting sentimental?
Well that's obvious you would since she's your ex, right?
IT'S NOTHING LIKE THAT!

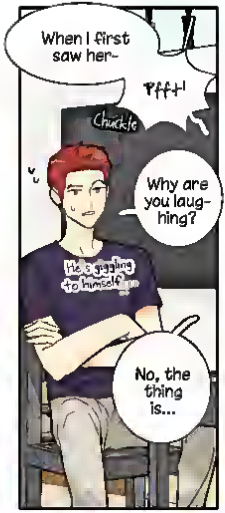
You only talk tough, but
when something happens to Sage you're always the first one there for her.

There was no reason to follow her out there since she broke it off.
It's just that I would look even more suspicious if I haden't done anything.
Sage broke it off? Huh...
So you don't even want to see Sage at all any more? You can't even think of one good thing about her?

...She's respectable?
Hm?
Respect-able?
How?
Thnk...
Umm.....



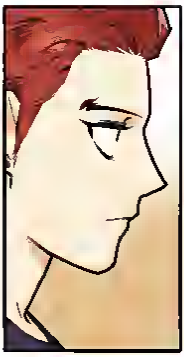
The way that she is so nice and tries to be on good terms with me even after all that happened between us. I think she's got guts.
That's something that I'm kinda jealous of...



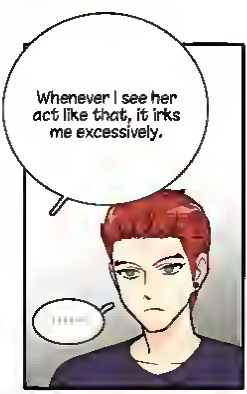
When I first saw her-
Pfft!
Chuckle
Why are you laughing?
He's giggling to himself
No, the thing is...

When I first met her, she was just so mild and dull like Berry was.
Chuckle
It felt like I was back in middle school.
Chuckle
But?
That's totally not true now.
She's not mild or dull and she's stubborn in weird ways.

She's similar to me.



Teacher, I don't understand.
But I said exactly what I meant.



Whenever I see her act like that, it irks me excessively.

You pretended you didn't care but you've given it a lot of thought.
It's not that I wanted to notice it but it kept bothering me.
And being similar to me isn't a compliment either.

Unless you mean similar to how good I look.
You're going to get hit by a rock someday.
SFX: Hahaha

Anywoys when I look at her, my stomoch churns and I feel sick.
I wish she'd Just given up on me.
Why don't you try to make it work with Sage?

What are you talking about? I have Strawberry Shin.
Soge would work too.
I have no interest in her.

You sure about that?!

Just a second ago, you were rambling about Sage, about things you weren't even asked about,
and you still say you have no interest in her?
I just told you how I felt about her as a person, what about it?

You see her and think about her because you feel something for her.

Based on what I saw today, you've plenty of interest in Sage.
Blush.
What?

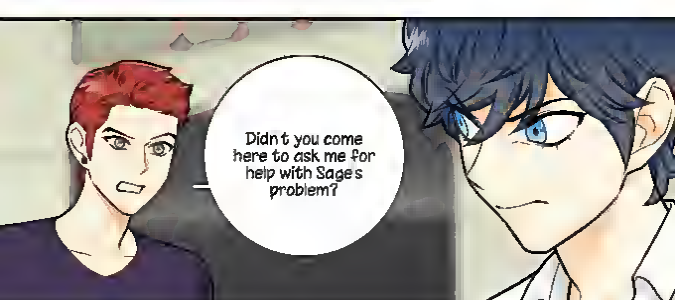
I TOLD YOU I HAVE STRAWBERRY SHIN!!
ARE YOU TELLING ME TO THROW BERRY AWAY?!

STOP IT.
IT WAS OVER WITH BERRY A LONG TIME AGO!

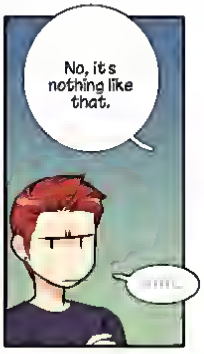
It's about time you stopped.

What I do isn't your business.
Where are you going?!

I'M GOING HOME BECAUSE I DON'T WANT TO SEE YOUR FACE!
Didn't you come to me for help?



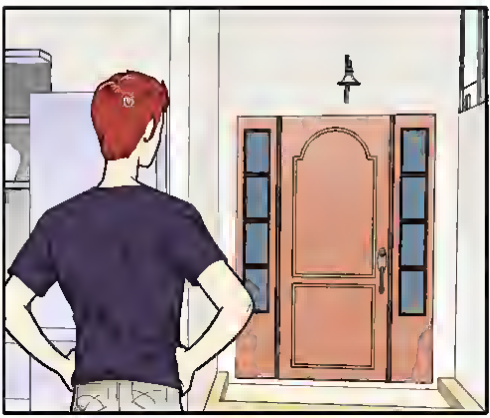
Didn't you come here to ask me for help with Sage's problem?

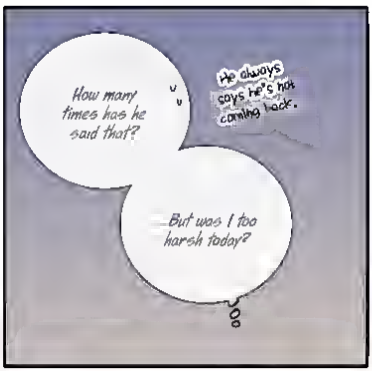


No, it's nothing like that.
Hmm...

I'm going and...
I'm never coming back.

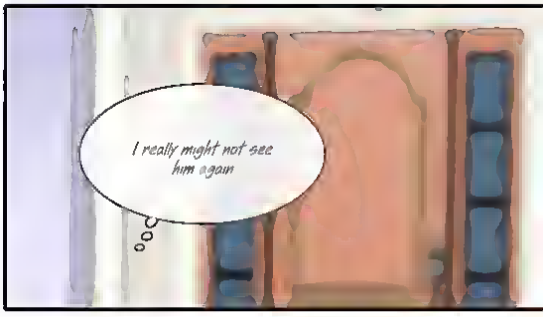
SFX: Slam!!





How many times has he said that?
He always says he's not coming back.
But was I too harsh today?

So it was Sage who stole the ring. That complicates things
Darin seems to have feelings for Sage, good or bad



I really might not see him again

SFX: Doooom...

What the chief director said is worrying, but what more can the school do?
It's too late to get Pear's help now
If I just keep Sage Dan's mouth shut and play dumb, they won't have any real physical evidence.

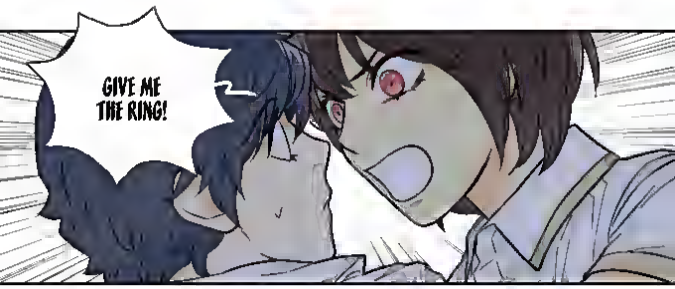
Shit, I don't know anymore It's not my business whether she get expelled or not
I shouldn't have told Pear Kang, that's what's bothering me
Just forget it

SFX: Clank

Sigh
I don't even wont to see Berry today.
Well then I'm sorry about how things turned out for you!

STRAWBERRY SHIN?

Y-you came for me?
GRAB



GIVE ME THE RING!

What are you talking about, why are you being like this to me?!!
I ALREADY KNOW!
YOU STOLE IT RIGHT?!

I WAS THERE WHEN THE CHIEF DIRECTOR WAS TALKING TO YOU!
Behind this
That's what happened?

Hey, why just me? Sage was there too!
THERE'S NO WAY IT WOULD BE SAGE!

WHO ELSE WOULD USE THIS KIND OF COWARDLY AND SHAMELESS TACTIC,
BESIDES YOU?!

Hey! It's not that...
SFX: Bang

Crumble...

Gasp
F-first calm down and listen to my...
Give it back.

I'm begging you, please.

I'm sure Walnut is disappointed in me for losing the ring.

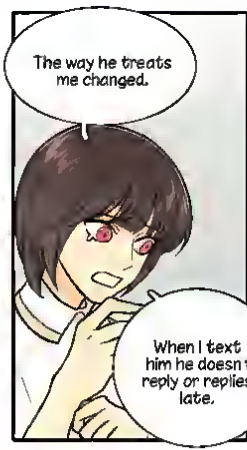
Aah. Don't cry.

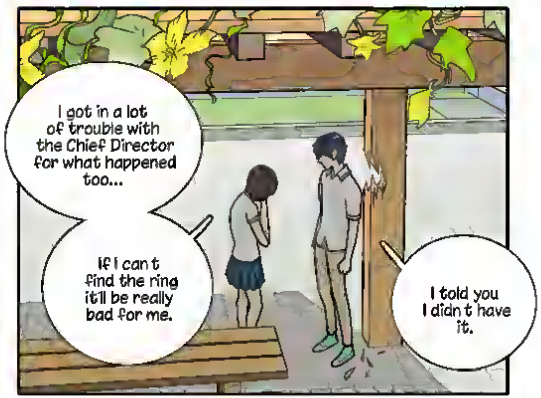
What did Walnut Kang do that is making you cry like this?
Don't tell me...
Is he asking you for the money?

DO YOU THINK WALLY IS LIKE YOU?!!
SFX: Shake x4

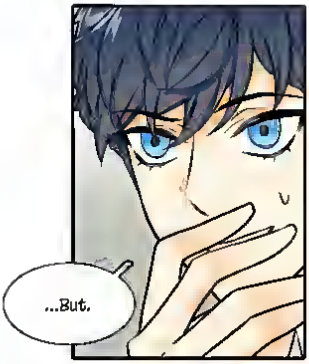


The way he treats me changed.
When I text him he doesn't reply or replies late.

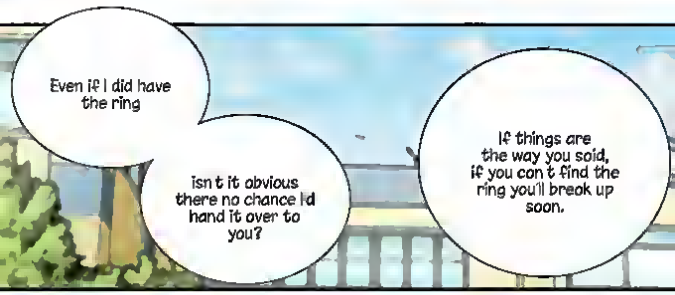
Besides, that was the first time I've seen him make that face.
He's disappointed in me.



I got in a lot of trouble with the Chief Director for what happened too...
If I can't find the ring it'll be really bad for me.
I told you I didn't have it.



...But.



Even if I did have the ring
isn't it obvious there no chance I'd hand it over to you?
If things are the way you said, if you can't find the ring you'll break up soon.

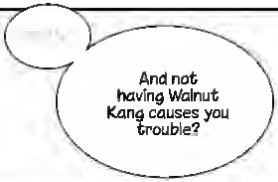
If that happens you'll date me oga...

빠!
KACK!!
SFX: Smash!

WHAT ARE YOU DOING, HITTING MY FACE?!
DO I LOOK LIKE I'M JOKING TO YOU?!

YOU MIGHT THINK IT'S FUNNY, BUT IT'S SOMETHING REALLY IMPORTANT TO ME!!

Ah, damn... I have a feeling this will bruise...
DO YOU REALLY LIKE CAUSING ME TROUBLE THAT MUCH?!



And not having Walnut Kang causes you trouble?

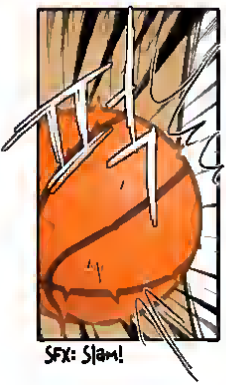
OF COURSE!
SINCE I LIKE WALLY.

I REALLY LIKE IT WHEN WALLY IS BY MY SIDE.

SO HURRY UP AND GIVE ME THE RI...
?!

How many times do I have to tell you I don't...
Woosh
D-DARIN! BEHIND YOU!!!

UH...



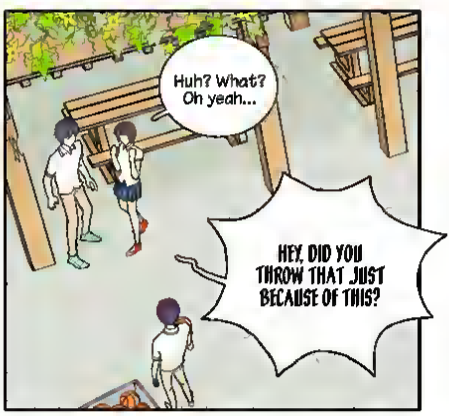
SFX: Slam!

WHO DID THAT?!! WATCH WHERE YOU'RE AIMING THAT THING!!!
Ah~ Im sorry.

I'm really worked up, so I put too much strength into that.

I'll watch where I'm aiming next time.
Wally...
WHAT? YOU BASTARD!

Strawberry Shin, shouldn't you let go?



Huh? What? Oh yeah...
HEY, DID YOU THROW THAT JUST BECAUSE OF THIS?

YOU REALLY..!

I-I almost died.
Huh, I missed again.

STRAWBERRY SHIN, I'LL SEE YOU LATER!
What? Hey!!

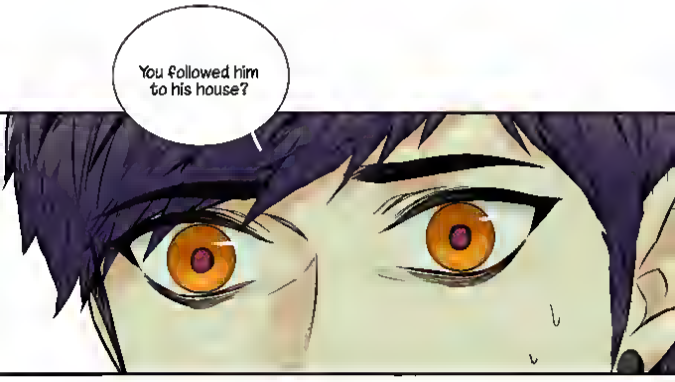
You seem close to Mandarin Kim?

WH-WHAT ARE YOU TALKING ABOUT! I'M NOT CLOSE TO HIM AT ALL!
If anyone else saw, they'd think you were dating.
...Oh yeah.

You guys did date.

...J-jealousy?
THERE'S NOTHING NOW!!
I-I JUST HAD SOMETHING TO ASK HIM BECAUSE OF THE RING.
HE ALWAYS ACTS SO SUSPICIOUSLY...

Act suspiciously?
You know how he is.
Following me to the academy I go to and bothering me!
Calling me over to his house, locking me in and saying weird things...
NB



You were with him while I was in America?

It's...

It's not like that, he tricked me...

It was actually Cherry's house so the thing is...

...Strawberry Shin, why did you save someone who keeps lying to you?

That was... It was dangerous so by reflex I...

Wally, it really wasn't like you're thinking, it's...

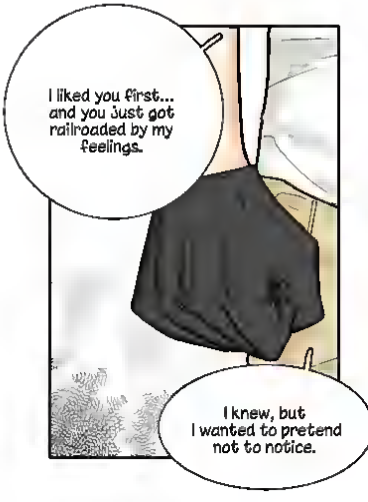
It's fine now.

He was your first boyfriend and you dated for a year.
It wasn't like you broke up right after you sorted out how you felt, and you liked him enough to bear it when he made you suffer.
Wally...
I guess it's hard to distance yourself.

I'm sorry, I'll handle it better next time, hm?
There's nothing you should be sorry about.

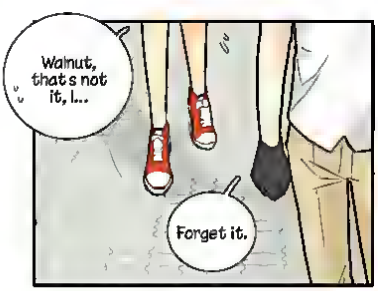
(...)

I was the one that got between something that I knew wasn't over yet.

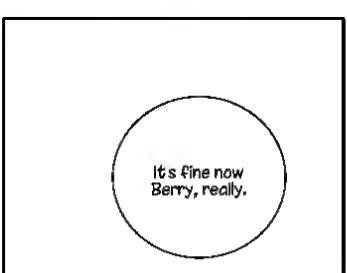


I liked you first... and you just got railroaded by my feelings.
I knew, but I wanted to pretend not to notice.

...What? That's not it!
That's how he was thinking?



Walnut, that's not it, I...
Forget it.



It's fine now Berry, really.

W-Wally...?
I thought it would be okay since I prepared myself for this when we started, but it's too hard.
More than I thought it would be.

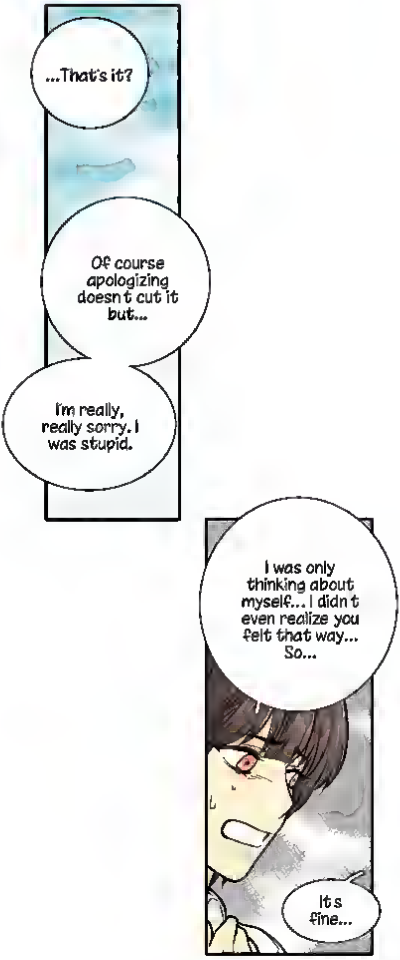
You don't have anything more to say to me?

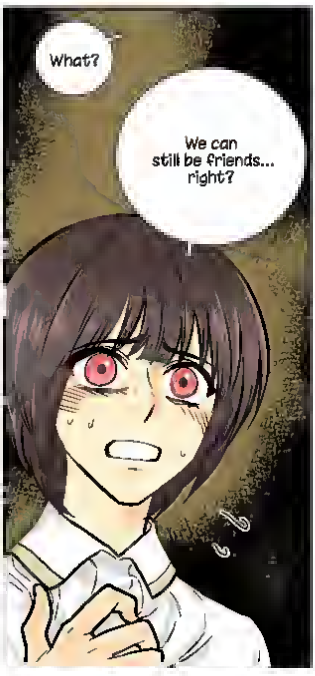
...I,
I'm sorry...



...That's it?
Of course apologizing doesn't cut it but...
I'm really, really sorry. I was stupid.
I was only thinking about myself... I didn't even realize you felt that way... So...
It's fine...
You don't have to be sorry anymore.
Wait...

Walnut, wait!

What is it?
We'll see each other again, right?

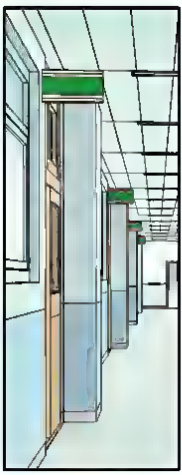


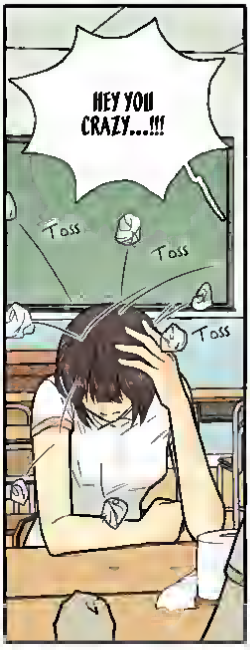
What?
We can still be friends... right?

Friends...

Sure.

Im off.
H-huh?
Ok...





HEY YOU CRAZY...!!!

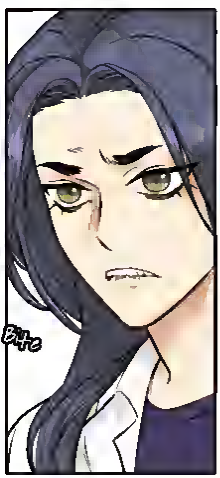
WHY WOULD YOU TELL HIM THAT YOU WENT TO MEET MADARIN KIM?!
I was trying to explain... I made a mistake.
And it's the truth that I went...
EVEN SO!!
WHAT WERE YOU THINKING?! YOU DIDN'T DO ANYTHING WHEN HE WANTED TO BREAK UP! DIDN'T YOU THINK YOU SHOULD TRY TO STOP IT?
JUST HOW STUPID CAN YOU GET?!
How could I do that?!

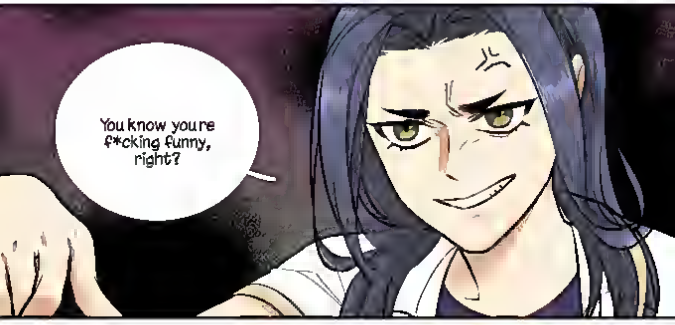
When he said he was suffering because of me so honestly?!
How could I hold him back?



Bite

He doesn't like me anymore.
What would I do if holding onto to him would make him hate me more?!

Whish

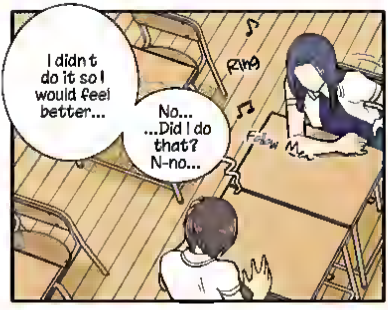


You know you're f*cking funny, right?

Ha... I'm speechless... Walnut's wasted on you. Just break up.
Are you an idiot? Or are you just a coward?
Do you think Walnut got mad at you because he hates you?
Is that all you can think of right now?!

Then what should I do?
Am I your mother? Or your teacher?
Solve your own problems.

It's a pain in the ass so figure it out yourself, got it?
I can't stand seeing you try to Justify yourself so you can feel better either.



I didn't do it so I would feel better...
No... ...Did I do that? N-no...

Walnut Kang hit Mandarin Kim so.

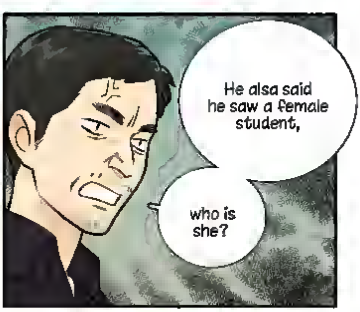
Cherry Boy, That Girl

Chapter 98

The principal said that he saw you two fighting but you're still being stubborn?
Mandarin Kim that bruise is from Walnut Kang right?
I told you I ran into samething by accident.

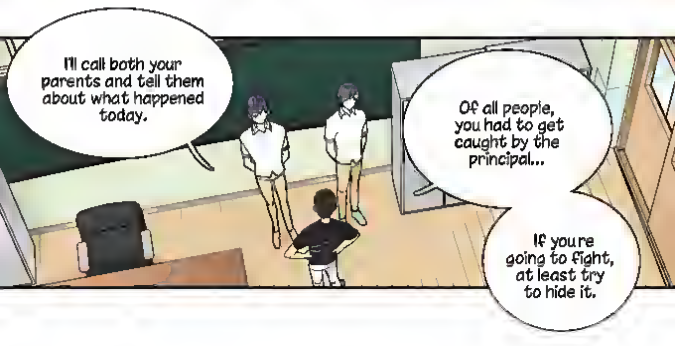


He alsa said he saw a female student,
who is she?

She wasn't involved.
Shouldn't we just call her bystander girl #1?

SMIRK...
You wouldn't know because your skin is thick like leather but...
And teacher, my skin is white like marble, so it just stands out. It really doesn't hurt.
I only lightly ran into something, but this is usually what happens to thin skinned people like me.

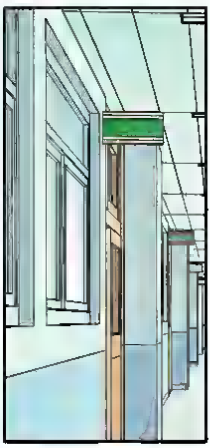
It was nothing like a fight, so just let us go.
We have to get to class too. What are you going to do if we miss something?
ENOUGH!



I'll call both your parents and tell them about what happened today.
Of all people, you had to get caught by the principal...
If you're going to fight, at least try to hide it.

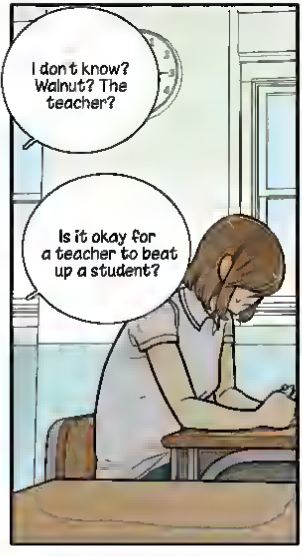
WALNUT KANG, IS IT HORMONES?! MESSING AROUND RIGHT AFTER GETTING BACK TO SCHOOL!
They're going to call Cherry Kim's house

NEXT TIME YOU GET CAUGHT WE WON'T BE AS LENIENT, DO YOU UNDERSTAND?!
Yes.
Yes...



Hey, why did Walnut Kang get dragged to the staffroom?
If he got called during class, he must have messed up.
I heard he missed a bit of school after break ended.
Yeah, you're right. Didn't someone say he quit school?

They said Mandarin Kim from the class next door got called in too.
I heard he got beat up?
By who?



I don't know? Walnut? The teacher?
Is it okay for a teacher to beat up a student?

Darin and Wally are in the staffroom?
Shake
Shake
He got hit?

The Chief Director... Seemed to suspect us
No way... is Darin their main suspect?!
But it was me that stole the ring. .

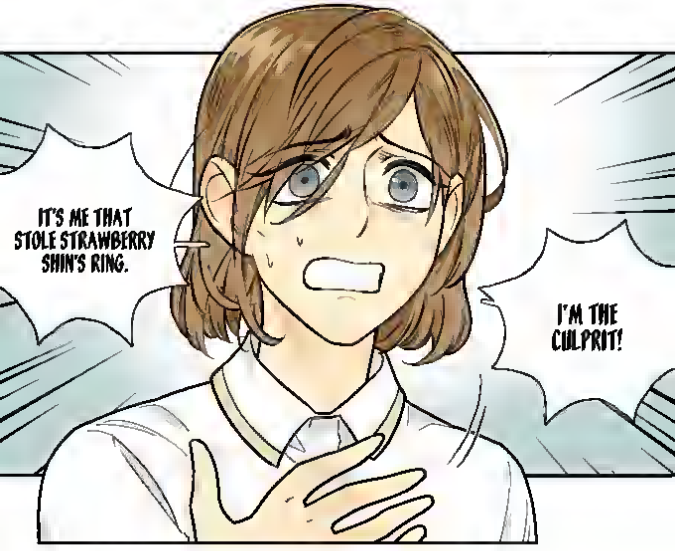
Hey! Hey you there!
Why are you running around like that in the halls?!
TEACHER, IT'S ME!
What?



IT'S ME THAT STOLE STRAWBERRY SHIN'S RING.
I'M THE CULPRIT!

Teacher, I finished my apology letter.
can go now, right?
Ok, give that to me.

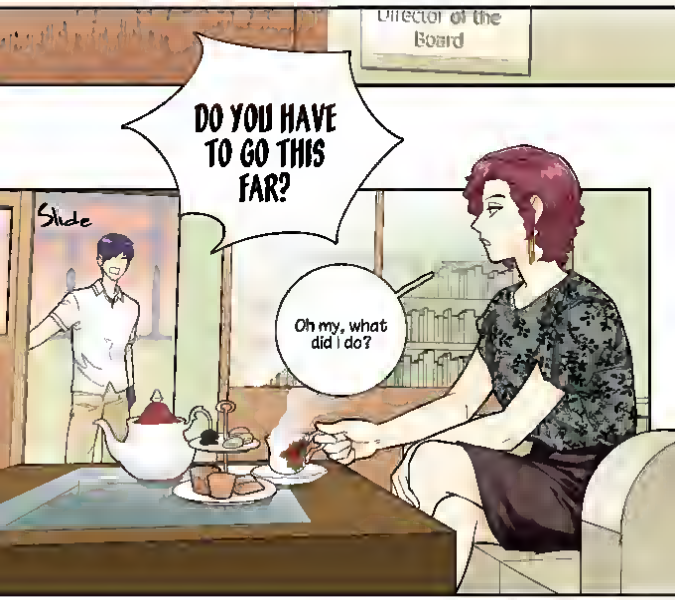
loud
loud

WHY DID YOU HUMILIATE ME LIKE THIS?!

WHY DID YOU DO SOMETHING SO STUPID? DID I RAISE YOU THAT WAY?
Thwack
Thwack
M-ma am, please calm down for the moment...

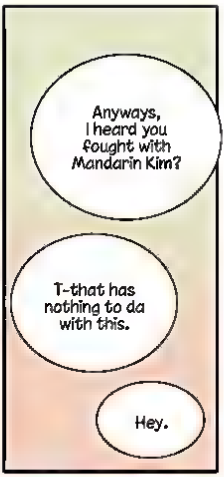
Excuse me, can I ask you what's going on?
Huh? Oh, Sage? You know how Berry lost her ring...?

DID YOU REALLY STEAL IT?
UGH, YOU CRAZY CHILD! THIS EMBARRASSMENT WILL KILL ME...!
...Is what happened.

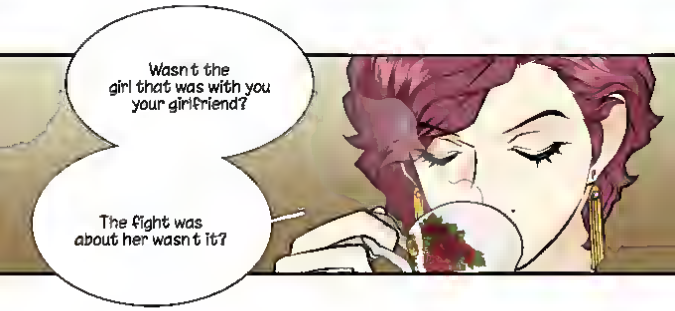


Director of the Board
DO YOU HAVE TO GO THIS FAR?
Slide
Oh my, what did I do?

It's mostly my fault for buying such an expensive ring on a whim.
There's no reason to make such a big deal about catching the culprit.
I didn't catch anyone. She turned herself in.



Anyways, I heard you fought with Mandarin Kim?
T-that has nothing to da with this.
Hey.

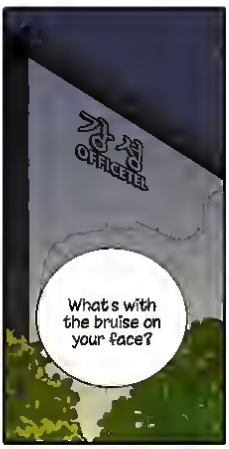


Wasn't the girl that was with you your girlfriend?
The fight was about her wasn't it?

...I broke up with Berry.
Anyways, forget this conversation.

Just don't punish Sage over this. Leave it be.
It doesn't seem like she had bad intentions.
Clink
Theft is a huge crime. You can't pretend it didn't happen.

This school had a bad reputation as it is.
It will serve as an example for the school.
Especially for you and your girlfriend.
I hope this experience will teach you something about responsibility.



강경
OFFICER
What's with the bruise on your face?

None of your business.
Why'd you call me here? Is Walnut Kang gone?
Walnut went to the main house today.
There are two things you have to hear.

Which one do you want to hear first, the good news, or the bad news?
The bad news.
OK.

Sage Dan turned herself in. That she was the one who stole Strawberry Shin's ring.

C-crazy! Sage Dan I knew she would cause trouble one day!
What are you doing?
Calling her. I have to make sure myself.

Don't you want the good news?
What could be good about this?!
Really?

Even if Strawberry Shin and Walnut Kang broke up?

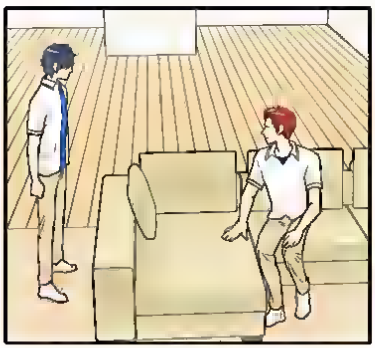
...Are you joking?

What benefit would there be for me for joking about this kind of stuff?

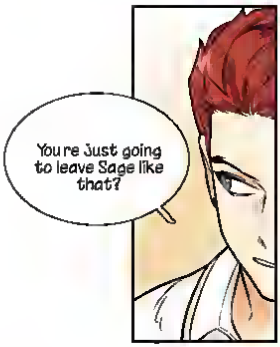
...Really?

The Chief Director heard it from Walnut.

Apparently Wally dumped her.

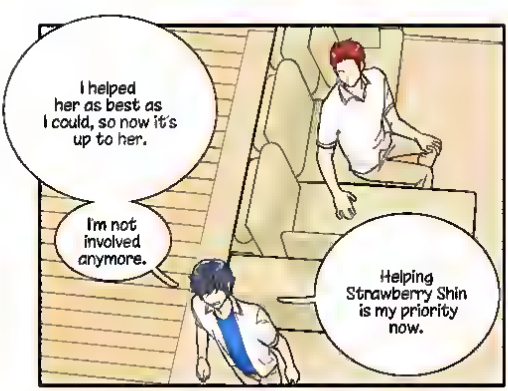


Are you going to Berry?

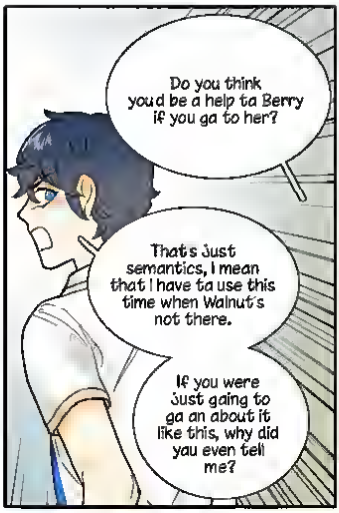


You're just going to leave Sage like that?

Hm...



I helped her as best as I could, so now it's up to her.
I'm not involved anymore.
Helping Strawberry Shin is my priority now.



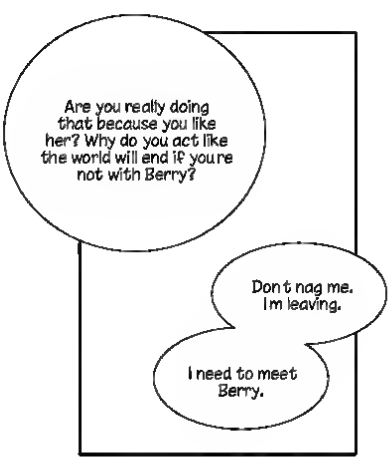
Do you think you'd be a help to Berry if you go to her?
That's just semantics, I mean that I have to use this time when Walnut's not there.
If you were just going to go on about it like this, why did you even tell me?

The person Berry wants to meet wouldn't be you of all people.
If she broke up with Walnut I have a chance too.

If you're planning on being a bother...
Na, na I'm on your side.
That's why I'm telling you everything I know as soon as I hear it.

But Just like how you couldn't do well with Sage because of Berry,
won't it be the same thing with Berry now?

I'll kill you, seriously. Don't compare her with Sage. Berry and I have a deep history together.
CLENCH
We have the kind of intimate relationship that you can't give up on.
Why are you so obsessive over her?



Are you really doing that because you like her? Why do you act like the world will end if you're not with Berry?
Don't nag me. I'm leaving.
I need to meet Berry.

Do what you like but,
not today.
You promised me before, you owe me a favour, right?
You need to do that now.

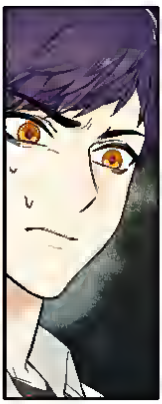
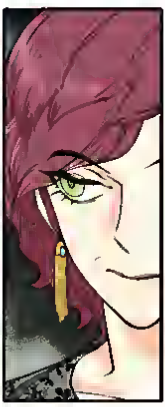
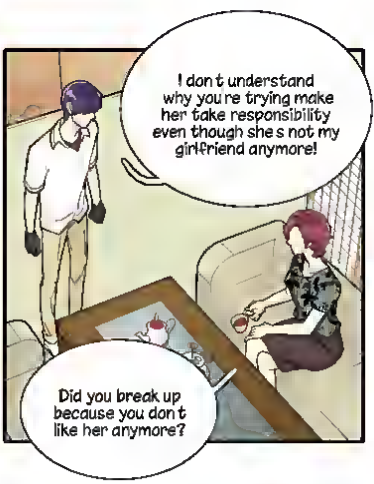
Cherry Boy, That Girl

Chapter 99

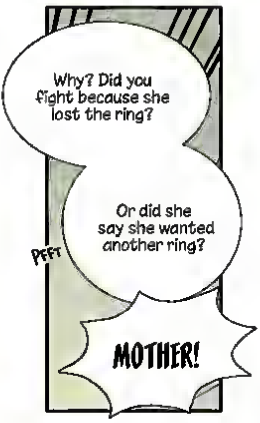






I don t understand why you re trying make her take responsibility even though she s not my girlfriend anymore!
Did you break up because you don t like her anymore?

How is that your business?
Please don't interfere in my private matters.
So you had a fight?



Why? Did you fight because she lost the ring?
Or did she say she wanted another ring?
PFFT
MOTHER!

It's her fault for being careless but there's no need to break up...
Just get her another ring.

Should I give you a card? Or should I send money to your account?
Get her something more expensive this time. Then she'll be completely taken by you.
WHAT... EXACTLY WHAT IS YOUR GOAL, MOTHER?
DO YOU LIKE BERRY?
YOU WERE GIVING HER WARNINGS NOT TOO LONG AGO. WHAT EXACTLY ARE WE TO YOU?

To be honest, she is not everything I want.
Clink

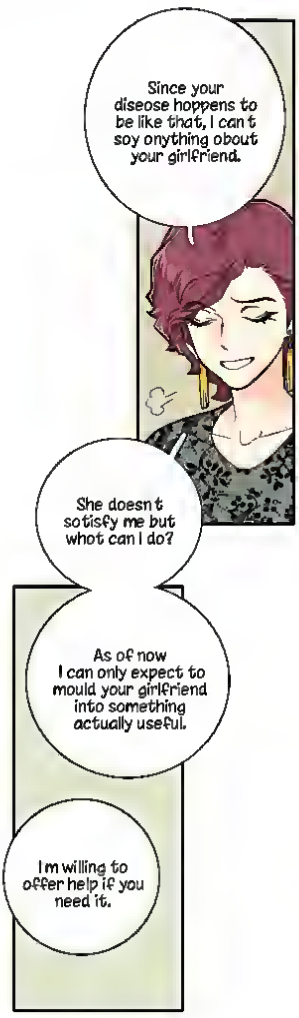
Her grades are bad, and she doesn't have any clear skills, not to mention

Even so, if that child is someone you need, she becomes someone I need as well.

I heard from your personal doctor when you were in America.
Apparently your condition worsened when we had you meet those girls.

I regret doing it. No matter what, I shouldn t hove sent you away to America but I listened to Pear...
Becouse of Strawberry I thought your diseose had been cured. Who knew it wauld worsen so much?
You completely ignored potient confidentiolity.
Just forget it.
Well I have to know since you're my son.

SFX: Scratch x2



Since your diseose hoppens to be like that, I can t soy onything obout your girlfriend.
She doesn t sotisfy me but whot can I do?
As of now I can only expect to mould your girlfriend into something actually useful.
I m willing to offer help if you need it.

I will do whatever you need.
You are my son, after all.

So tell me how you two separating came up.
Hm? Im curious.

I don t think Berry likes me.
That s all.

Wouldn't that be solved if you two just got along from now on?

If you were going to say that, why did you say those things to Berry and send me to America?

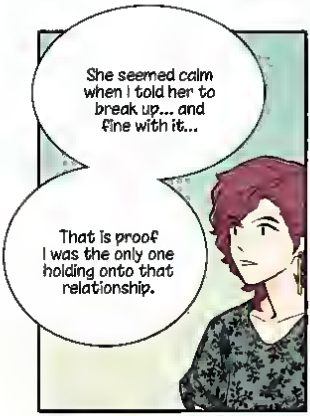
Berry worries a lot because of that, but I can't say anything to help.

I constantly felt like there was nothing I could do.

All that made me realize that,

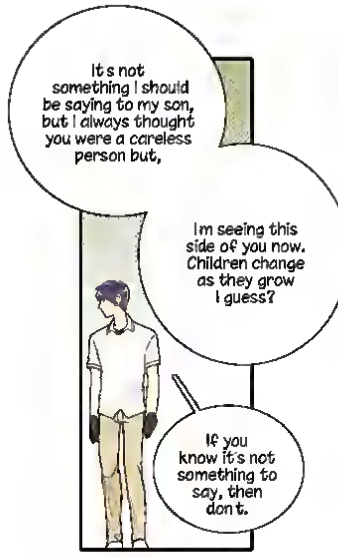
if there was someone I couldn't tear Berry away from no matter what,

then there was no point in holding on to her...



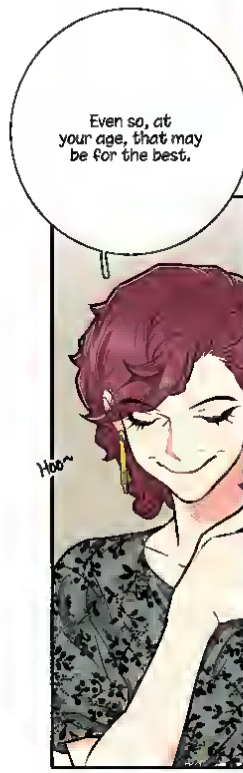
She seemed calm when I told her to break up... and fine with it...
That is proof I was the only one holding onto that relationship.

Why? Do you want that girl to hold on to you too?



It's not something I should be saying to my son, but I always thought you were a careless person but,
I'm seeing this side of you now. Children change as they grow I guess?
If you know it's not something to say, then don't.

Well.



Even so, at your age, that may be for the best.
Hoo~

I'll go now.

Walnut!

I'll consider your opinion on Sage's punishment, so accept the money and buy Berry a new ring.

It's fine now right? Isn't that a good deal?

Forget the ring.
I'll take care of it.
Clack

Just how far are we going?!
We're almost there.
You're complaining and we didn't even walk that much.
Grumble
Grumble

Grumble
Why are we going to such an industrial street at this time?
What's there to see?!
Grumble
What exactly do you want that I have to walk so far for?
Over here. This place.

Mom, Im here.

Is this Pear's parents' house?
It's the house of a rich family but the neighborhood is normal?
Is the interior design amazing?
Here, let's go in.

Wow, come on in~ Are you Pear's friend? Welcome.
That's my mother!

Your friend's going to spend the night too, right? I cleaned the room.
Thanks mom.
?!
Ugh

Hey, what is this place?
You asked me for a favor, why take me to this kind of a place...?

This is the favor! Have a sleepover at my house.
WHAT?!

Hey, what is this place?

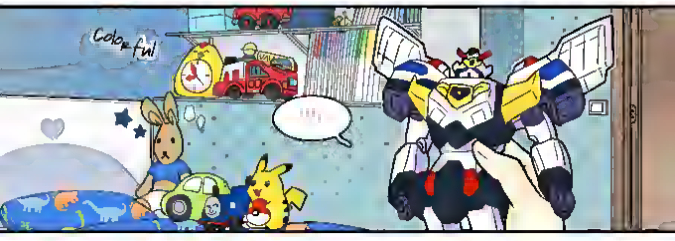
This is the favor! Have a sleepover at my house.
WHAT?!
What kind of favor... and what's this sucky house? You said you were third in line for a huge company!

What rich person lives in this kind of place?!
You must be curious but I'll explain everything~ So don't worry.

Cherry Boy, That Girl

Chapter 100



Colorful

What is this? This is your room? Why is it so childish?
It's cuz I only lived here when I was young.
My mom keeps it clean.

You said you were the heir to a rich family?!
Where did you get all that money you have, then?
I get it from Wally's family.
Kind of like an allowance.

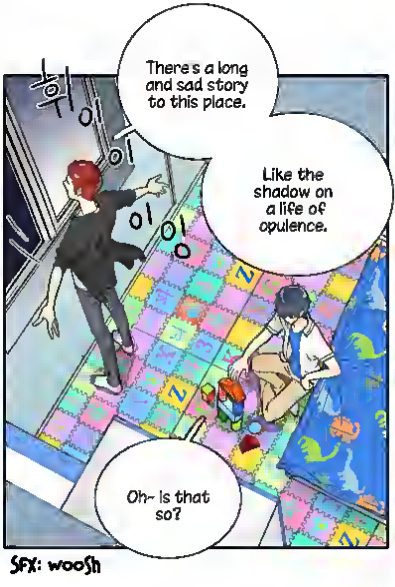
Slide

Hey.
Look over there.
Where?

There.
That's our family's factory.

Ah~
Yeah it's a factory.
So what
But why do you live with Walnut Kang and not here? Your mother lives here.

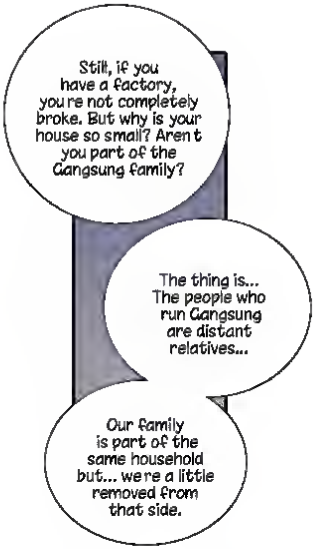
I only come here around 4 or 5 times a year.
I've lived that way since elementary school.



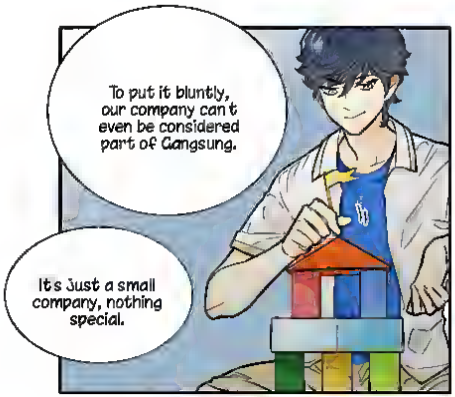
There's a long and sad story to this place.
Like the shadow on a life of opulence.
Oh~ Is that so?
SFX: woosh

So what do you want to tell me?
Um...

I'm not actually the third generation of a rich corporation.
Ah-ha, ☆
Aren't you surprised?
I noticed that the moment I got here.



Still, if you have a factory, you're not completely broke. But why is your house so small? Aren't you part of the Gangsung family?
The thing is... The people who run Gangsung are distant relatives...
Our family is part of the same household but... we're a little removed from that side.



To put it bluntly, our company can't even be considered part of Gangsung.
It's just a small company, nothing special.

My entire family works over there.

—

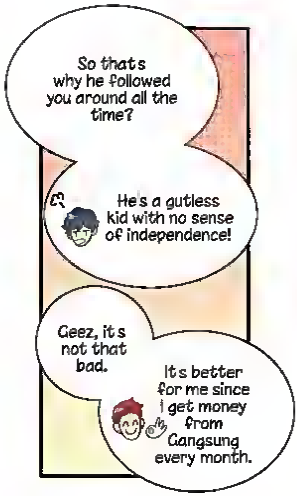
Ok, it's late so we should sleep.

Then is Walnut Kang also secretly a peasant?
Unfortunately for you, he s actually a direct heir.

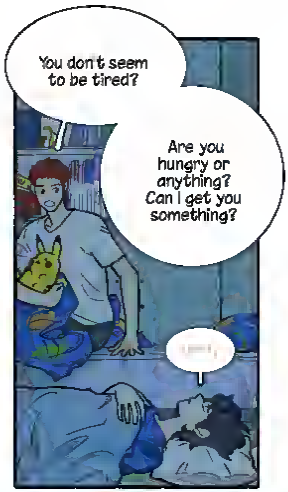
He's the only heir that age, so he'll probably inherit most of the business.
He sucks.
Geez, he's a total golden boy.

Then why does Walnut Kang hang out with you?
According to your story, you have no connection to him.
I just happened to meet him by chance at a family event.

Walnut was different since he was young, so he worried the adults quite a bit.
He started following me so I got to take care of him.



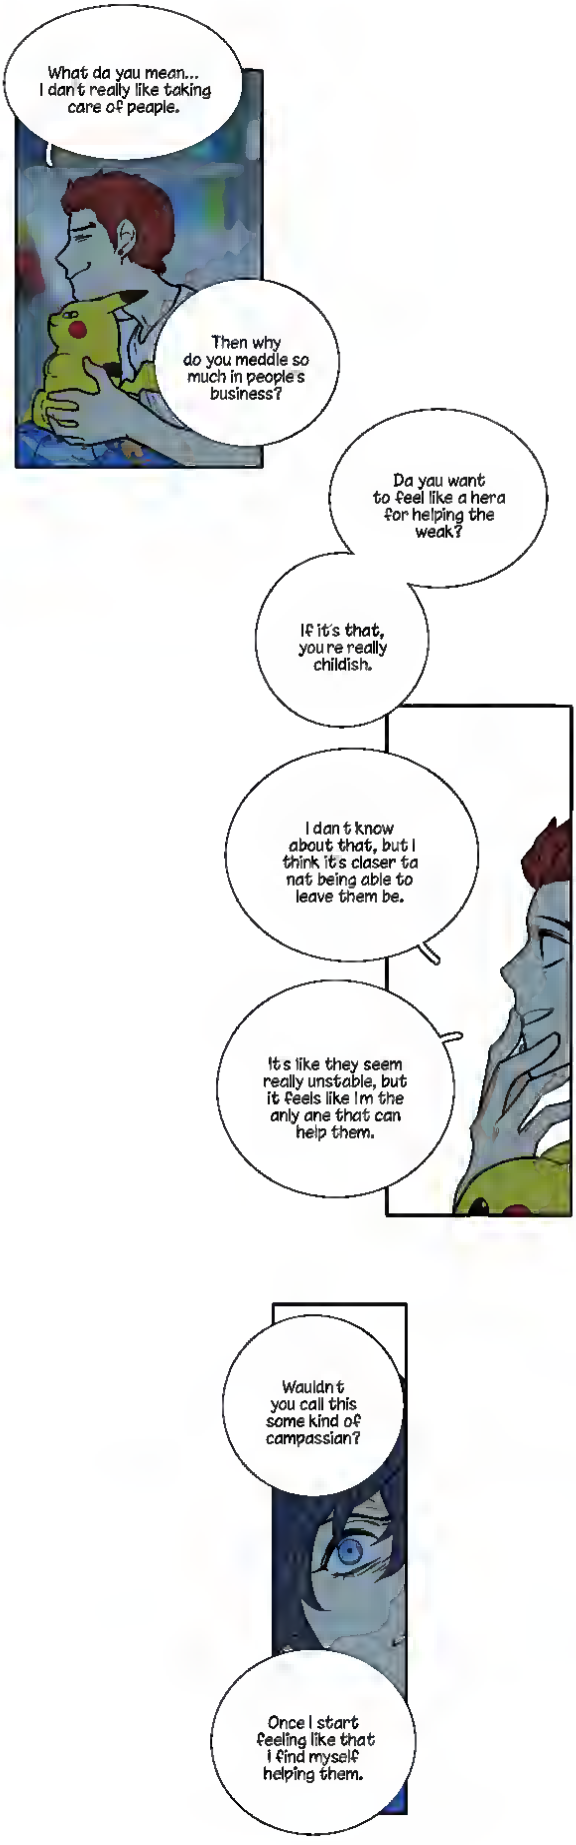
So that's why he followed you around all the time?
He's a gutless kid with no sense of independence!
Geez, it's not that bad.
It's better for me since I get money from Gangsung every month.



You don't seem to be tired?
Are you hungry or anything? Can I get you something?

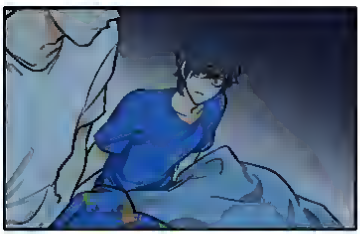
You... must really like taking care of people.
Am I next after Walnut Kang?
Do you think anyone will repay you?

Why do you like to pretend to be a mom so much?



What da yau mean... I dan't really like taking care af peaple.
Then why do you meddle so much in people's business?
Da yau want to feel like a hera for helping the weak?
If it's that, you're really childish.
I dan't know about that, but I think it's claser ta nat being able to leave them be.
It's like they seem really unstable, but it feels like I'm the anly ane that can help them.
Wauldn't you call this some kind af campassian?
Once I start feeling like that I find myself helping them.

It's like I'm an older brother at heart, and want you to be on the right path.



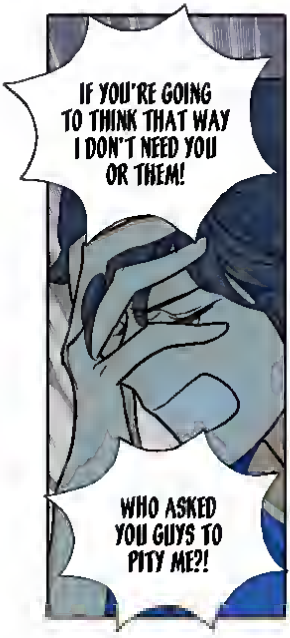
I don't care what Walnut Kang was like but, why me?
Do you feel bad for me?
I feel dirty.

That's not what I meant. Why are you like that so suddenly?
IT'S NOT SUDDEN!

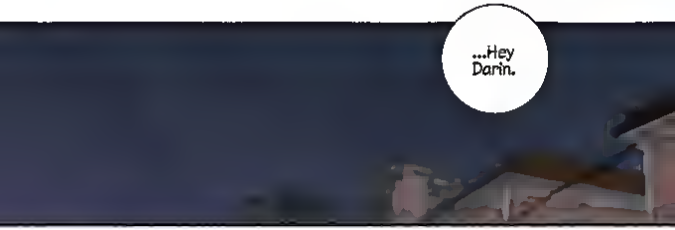
DO I LOOK STUPID?!
YOU THINK I'M PATHETIC!

YOU THINK I'M RIDICULOUS FOR FOLLOWING BERRY AROUND WHEN IT'S ALREADY OVER!
YOU GUYS TALK ABOUT IT LIKE THAT SINCE IT'S NOT YOUR BUSINESS!
What's the use of obsessing over Berry? Stop it.
You're just depending on her. That's not dating!

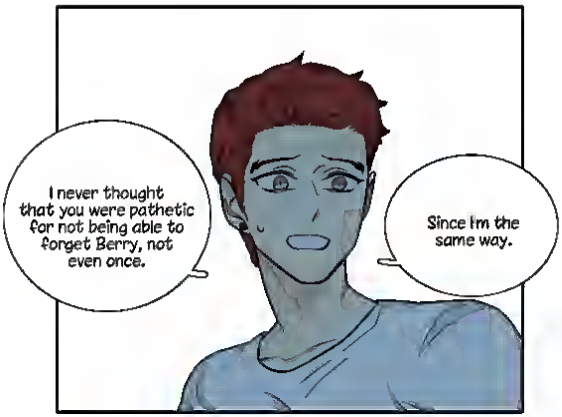
EVERYONE JUST TREATS ME LIKE AN IDIOT!
DO I LOOK THAT RETARDED?!



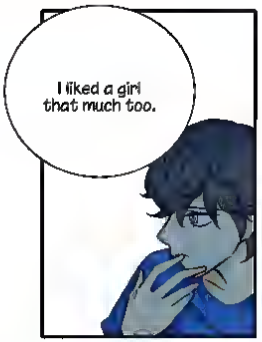
IF YOU'RE GOING TO THINK THAT WAY I DON'T NEED YOU OR THEM!
WHO ASKED YOU GUYS TO PITY ME?!



...Hey Darin.

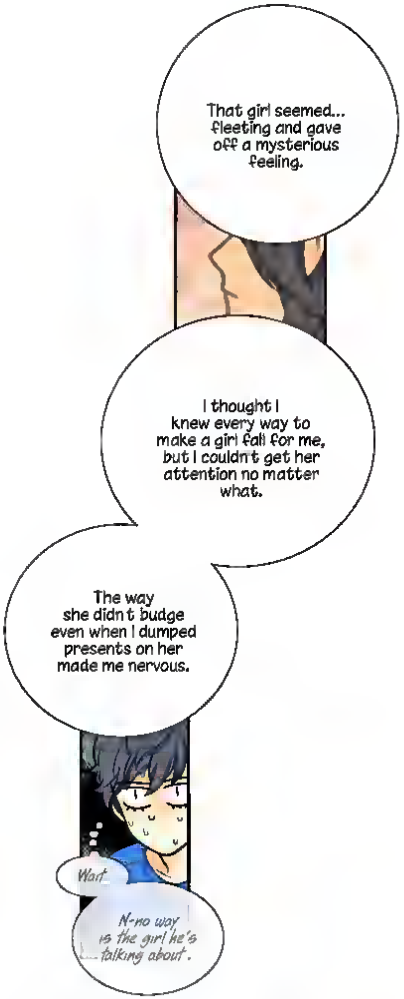


I never thought that you were pathetic for not being able to forget Berry, not even once.
Since I'm the same way.



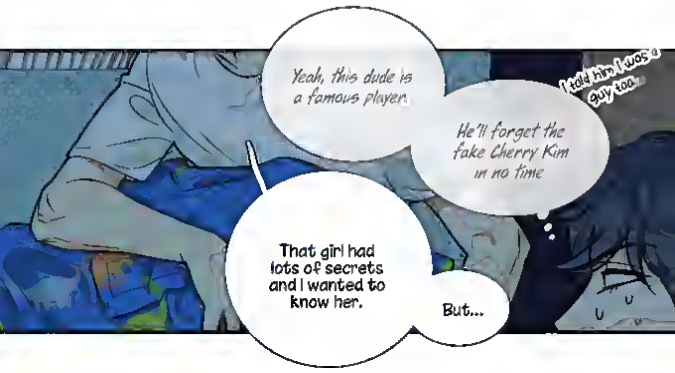
I liked a girl that much too.

I fell in love at first sight but later I fell so deep I couldn't think straight.
I had no idea what to do because I never felt that way before.



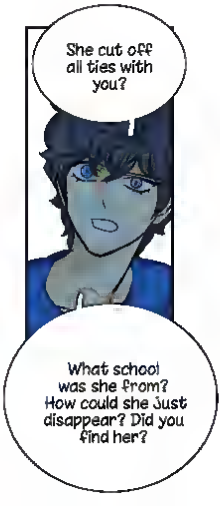
That girl seemed... fleeting and gave off a mysterious feeling.
I thought I knew every way to make a girl fall for me, but I couldn't get her attention no matter what.
The way she didn't budge even when I dumped presents on her made me nervous.
Wait
N-no way is the girl he's talking about.

I-i-is it maybe that girl, Cherry Kim you talked about?
No way~
Right?
Just saying but I don't know who Cherry Kim is.

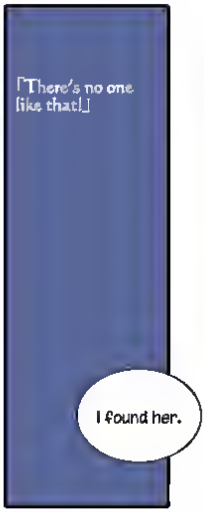


Yeah, this dude is a famous player.
He'll forget the fake Cherry Kim in no time.
I told him I was a guy too.
That girl had lots of secrets and I wanted to know her.
But...

When I tried to find her with everything I had, she hid herself.
「Hyung, there's no one like the person you are looking for at this school.」
She just disappeared.



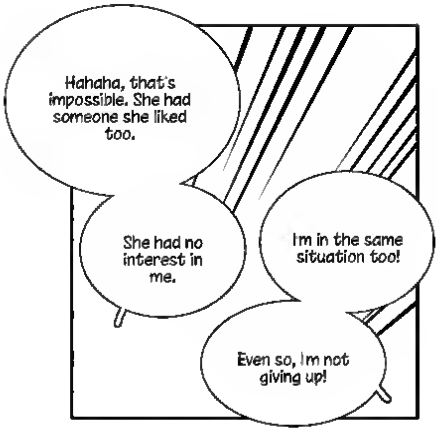
She cut off all ties with you?
What school was she from? How could she just disappear? Did you find her?



[There's no one like that.]
I found her.

It might have been better to long for her, not being able to find her...

It's hard to describe but... it was a relationship without a future.
It was a one sided love with no chance of becoming real in the first place.
So I'm thinking of forgetting about her with good memories.
What?
I don't know the story in detail but what's that? You said you liked her!
Did she have a different lover? Even so you can't give up already!
You're a guy too so you should also have a heart that wants to have a girl all to yourself!



Hahaha, that's impossible. She had someone she liked too.
She had no interest in me.
I'm in the same situation too!
Even so, I'm not giving up!

Um... It's a little different from what you're going through.
I'll just say it's a little more difficult.

And I no longer want to have her to myself or anything.

Nothing good will come from her and me being together and...
I probably won't be able to meet her even if I wait my entire life.
I'll just make her needlessly uncomfortable.
...Still! You said you liked her.

What do you get from suffering alone like that!
I don't have to get anything.
Even if I force her to stay, it'll only be for me.
She wouldn't stay even if I held on anyways...

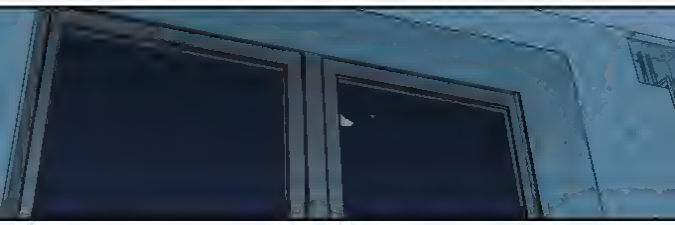
Cherry Boy, That Girl

Chapter 101



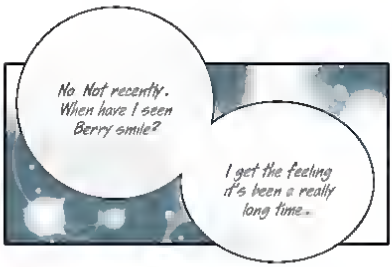
You're fine just because that other person is happy? No way, what's that supposed to mean?

Shouldn't I be the one that's satisfied first?

Do you date someone just to make the other person happy? It's not community service

He's talking like I'm making Berry suffer by holding on to her

I mean, I haven't seen Berry happy recently but...



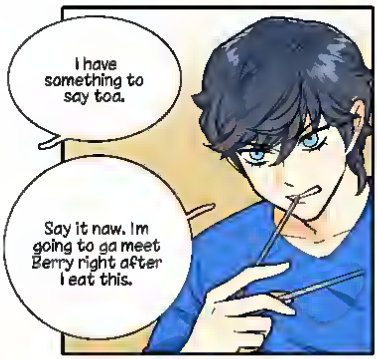
This is the first time I've worried about my relationship with Berry.

It's probably just because I'm tired right now.

There's not much of a variety but eat plenty! -Pear's Mom-
How can you swallow a bowl of rice like this for breakfast?
Let's eat!
No wonder. This is why he is so tall.

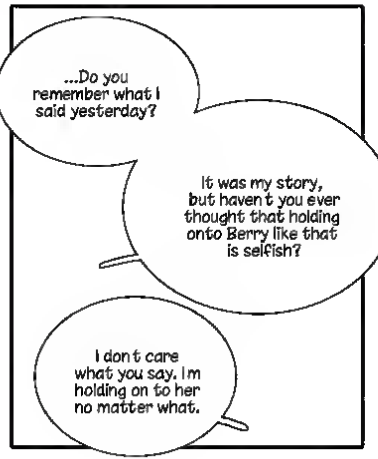
Since it's the weekend do you want to go to an internet café after we eat?
It would be fun to go to a café and chat while having something good to eat.

What's nice about chatting with a grown man? I refuse.
Two men going to a café...
Seriously
Whine
You're too harsh.



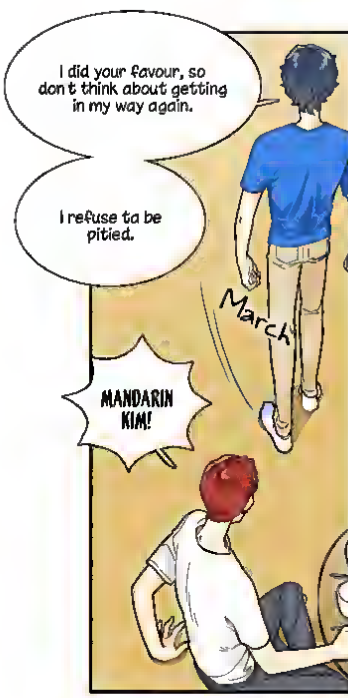
I have something to say too.
Say it naw. Im going to ga meet Berry right after I eat this.

I missed the chance yesterday because of you, so I at least have to go grab her today.
I'll never get this chance again.



...Do you remember what I said yesterday?
It was my story, but haven't you ever thought that holding onto Berry like that is selfish?
I don't care what you say. I'm holding on to her no matter what.

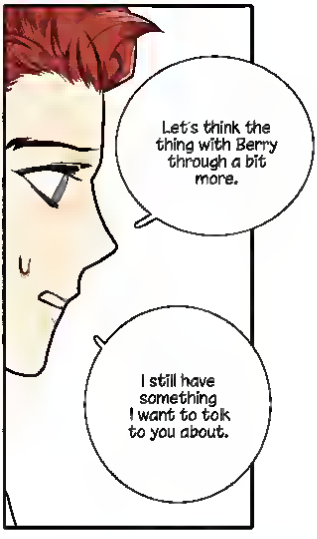
It was a nice meal.
SFX: Slam



I did your favour, so don't think about getting in my way again.
I refuse to be pitied.
March
MANDARIN KIM!

Wait...
LET GO!

THIS KIND OF SHIT WAS THAT FAVOUR?
YOU DRAG ME ALL THE WAY OVER HERE TO SAY, WHAT? GIVE UP?
DON'T PLAY WITH ME! WHO DO YOU THINK YOU ARE?!



Let's think the thing with Berry through a bit more.
I still have something I want to talk to you about.

THERE IS NOTHING TO TALK ABOUT!!
SFX: Push

Listen to what I have to say! What are you going to do when you go over to Berry?
Are you satisfied with having Berry at your side even if she's suffering?

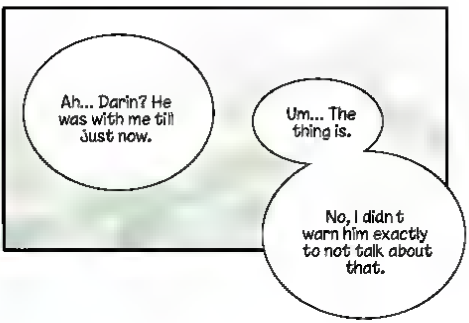
Is that what you want?
MANDARIN KIM!

Is liking Berry,
making you happy?

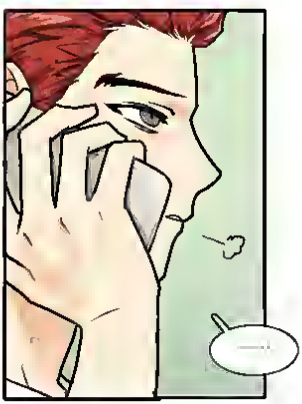
I haven't even said anything I wanted to tell him but he's so rushed...

BUZZZZ

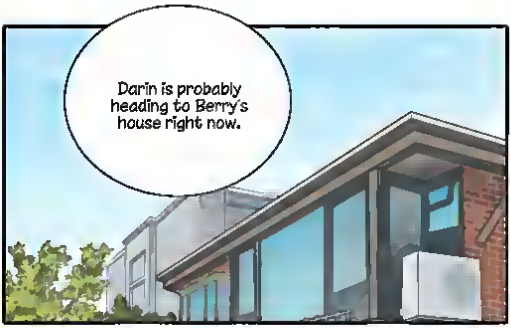
...!
Yeah. Why'd you call?



Ah... Darin? He was with me till just now.
Um... The thing is.
No, I didn't warn him exactly to not talk about that.



...!

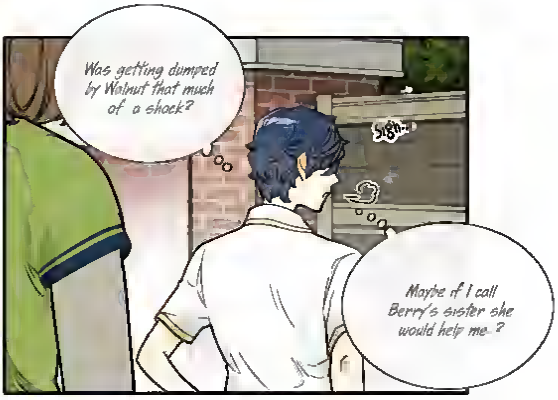


Darin is probably heading to Berry's house right now.

I should call her first

BRRRRRR
BANG SUNG
Connecting call...
She might not pick up though
Berry
010 - xxxx -

The phone you have dialled has been turned off
She turned it off?!



Was getting dumped by Walnut that much of a shock?
Sigh..
Maybe if I call Berry's sister she would help me..?

You... why are you here...?

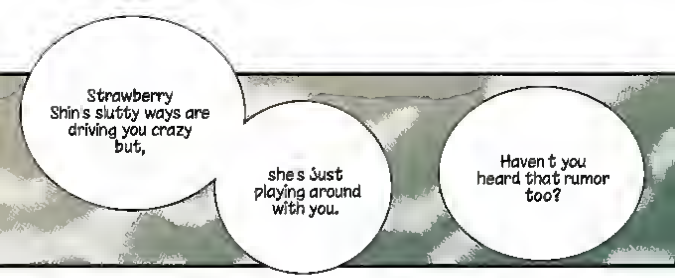
I came here to meet you.

To meet me?!
How did you know I was here?
I called Pear oppa and asked him.
Pear Kang that bastard...

I have to meet Berry quickly but,
first it's Pear Kang and now it's her? I just keep running into delays
I don't want to meet you. Go away.

Why? Just talk with me for a moment...
How much do you want to bother me?!
I came here to meet Berry!

BERRY HAS WALNUT!
SHE... SHE DOESN'T EVEN CARE ABOUT YOU!
IT'S ONE SIDED!
Yeah, I know! I like Strawberry Shin.
That's why there's no way I'll ever like you.



Strawberry Shin's slutty ways are driving you crazy but,
she's just playing around with you.
Haven't you heard that rumor too?

Strawberry Shin seduces guys and backstabs them, then throws their presents away.
You're getting tricked by her cute face!

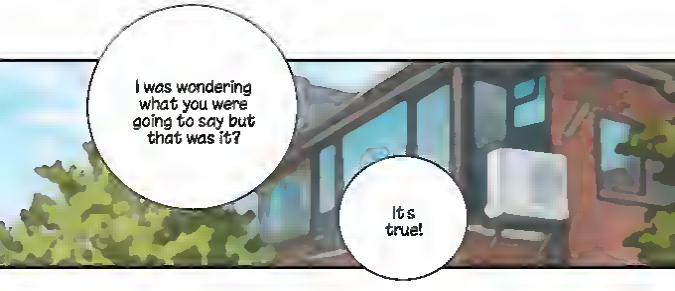
You're getting tricked by her cute face!

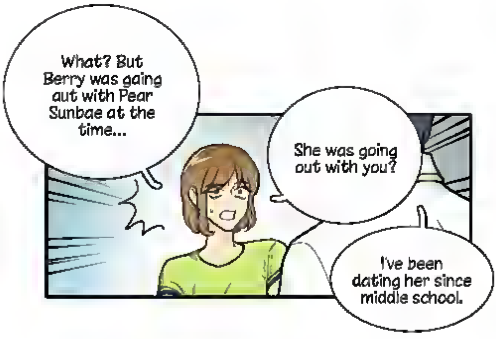
Cherry Boy, That Girl

Chapter 102



I was wondering what you were going to say but that was it?
It's true!

I looked into it by talking to guys from other classes!
It's not just a rumor, Strawberry Shin actually did that!
I know, since I was dating her before that.



What? But Berry was going out with Pear Sunbae at the time...
She was going out with you?
I've been dating her since middle school.

So stop trying ta wedge between us and...
NO WAY!
YOU REALLY LIKE THAT KIND OF GIRL?

Even if she has a cute face if you look carefully she's not even that pretty so,
why can't you forget someone who shallowly plays around like that?
Hey, haven't you said enough?!

Sage?

You two... why are you...?
What are you doing in front of my house?

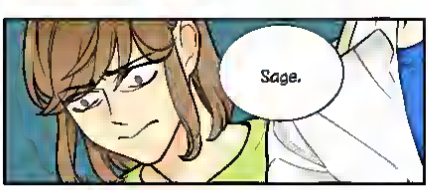
Oh, we just happened to run into each other here.
More importantly I have something to say to you...

WHY ARE YOU APPROACHING DARIN NOW?!
Swing
GO AWAY!

Hey, what are you doing?! I approached her!

YOU EVEN HAVE ANOTHER BOYFRIEND NOW!
HOW MANY GUYS DO YOU NEED TO HAVE TO BE SATISFIED?
SAGE DAN, JUST STOP NOW!!

Hey I'll contact you later...
PUSH

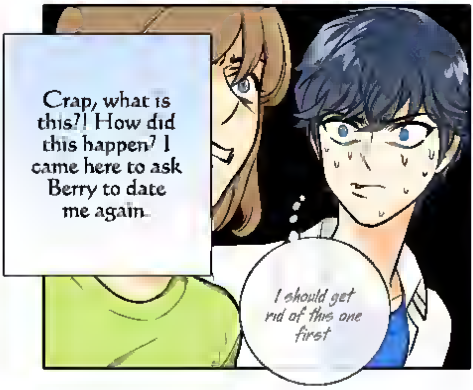


Sage.

You don t like me?

Is that why you stopped talking to me and pretended not to see me?
You must have hid your relationship with Darin and... mocked me!
You ridiculed me while pretending to know nothing!!!

How could I think of you as a friend?
It's just as you said, I don t like you.



Crap, what is this?! How did this happen? I came here to ask Berry to date me again.
I should get rid of this one first

Pardon us, we are just going to have a little talk.
I'll call you later so... keep your phone on.

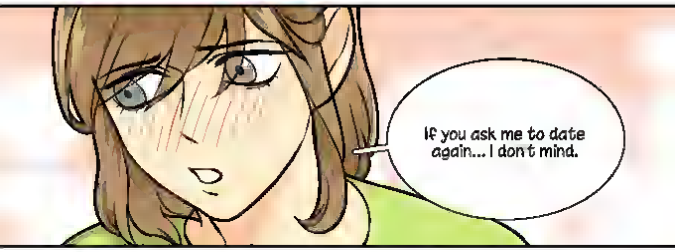
...Ok I get it.
See you later.

Seeing me after her break up with Walnut Kang must have put me back on top

Since she's in a hard and lonely situation

It seems things will work out better than I thought they would!

Maybe, this time for sure...



If you ask me to date again... I don't mind.

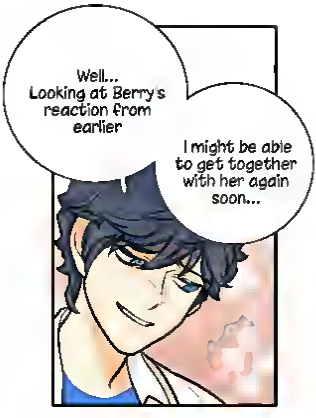
Crazy...
What?
What are you talking about?
?!

It's true I felt really betrayed by you at first but...
You protected me when I was in trouble about Berry's ring.
No, that was just...

I blamed you and Berry, but I could forgive you.
You helped me because you had at least a little bit of feelings for me right?

I don't like you.

I went there because I wanted to ask Berry to date me again.
I couldn't even do that because of you!

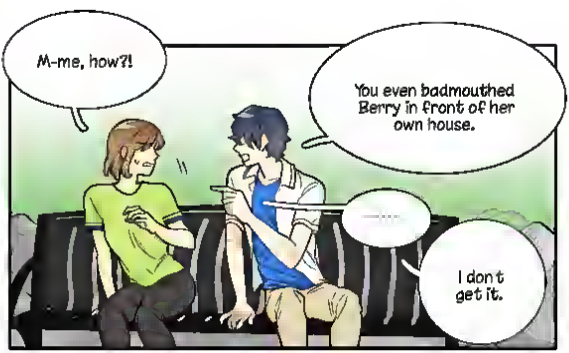


Well... Looking at Berry's reaction from earlier
I might be able to get together with her again soon...

YOU'RE GOING TO DATE BERRY AGAIN?!
WHY ARE YOU LIKE THIS? ARE YOU INSANE?!

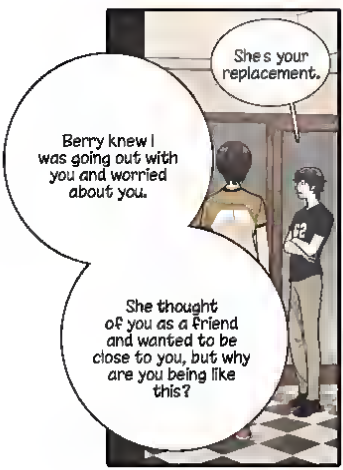
What do you mean, insane?!
BUT SHE_!!
But what?!

You're being kind of weird.



M-me, how?!
You even badmouthed Berry in front of her own house.
I don't get it.

I realize why you would hate me since I wasn't exactly good to you.
But why do you hate Berry when she had nothing to do with that?



She's your replacement.
Berry knew I was going out with you and worried about you.
She thought of you as a friend and wanted to be close to you, but why are you being like this?

You two were friends.
Why are you acting like this?

I feel sorry for Berry who wanted to stay friends with you.

끄응

SFX: Clench

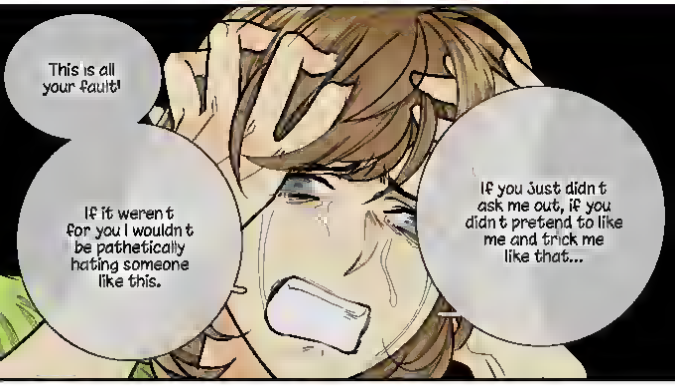
?
What's wrong, are you sick?
...How could you say something like that?

What?
WHY DO YOU THINK I HATE STRAWBERRY SHIN?! DO YOU REALLY NOT KNOW?!
DIDN'T YOU GO OUT WITH ME JUST TO SHOW STRAWBERRY SHIN?!

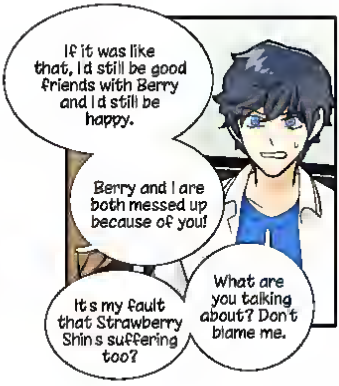
IF YOU REALLY DIDN'T LIKE ME, IT MEANS YOU TWO JUST PLAYED AROUND WITH ME!
YOU FEEL BAD FOR STRAWBERRY SHIN? WHAT ABOUT ME??
DON'T YOU FEEL BAD FOR ME?

DO YOU THINK IT'S EASY FOR ME TO SEE BERRY?

EVERY DAY I KEPT TELLING MYSELF, I HAVE TO STAY GOOD, I HAVE TO FORGET EVERYTHING.
BUT I KEEP GETTING REMINDED OF EVERYTHING WHEN I SEE BERRY'S FACE, I KEEP FEELING MORE MISERABLE, WHAT AM I SUPPOSED TO DO?!
YOU DON'T GIVE ME A SECOND GLANCE SINCE YOU'RE TOO BUSY LOOKING AT BERRY, BUT BERRY IS HAPPY DATING SOMEONE ELSE!

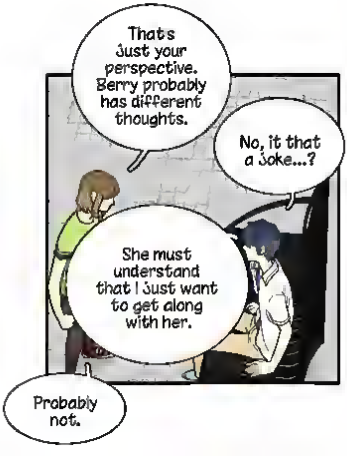


This is all your fault!
If it weren't for you I wouldn't be pathetically hating someone like this.
If you just didn't ask me out, if you didn't pretend to like me and trick me like that...



If it was like that, I'd still be good friends with Berry and I'd still be happy.
Berry and I are both messed up because of you!
What are you talking about? Don't blame me.
It's my fault that Strawberry Shin's suffering too?

I didn't do anything to hurt Berry. There's no way.
It's because I love her too much.



That's just your perspective. Berry probably has different thoughts.
No, it that a joke...?
She must understand that I just want to get along with her.
Probably not.

No, is that a joke...?
She must understand that I just want to get along with her.
Probably not.

I realize just now...
It's obvious that Berry's suffering is mostly because of you!

Cherry Boy, That Girl

Chapter 103

Crap...
Click

Running off before I even got to reply, what kind of person is she?
When did I ever hurt Berry?

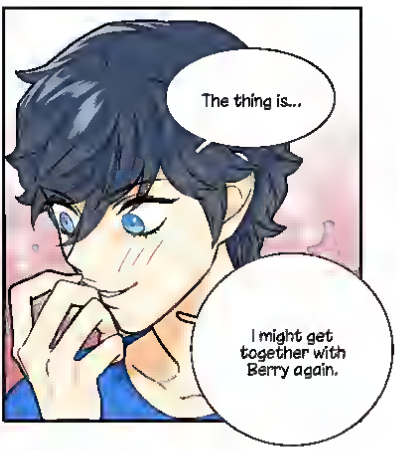
You're home?
!!

WAAAAAAH!!!
CRASH
I came here to bring you some leftovers but I accidentally nodded off.
My head's aching so don't yell.

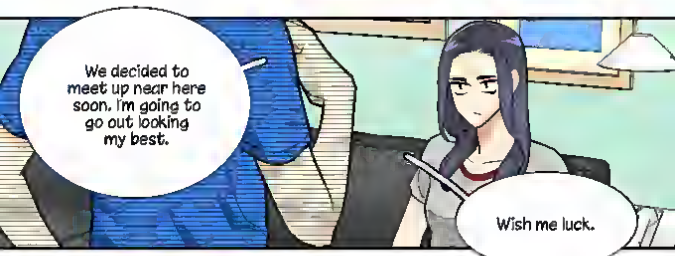
I just randomly stuffed it in the fridge, so you should organize it.
At least text if you're going to be here, and don't just crash at someone's place without asking.

SFX: Thump x2

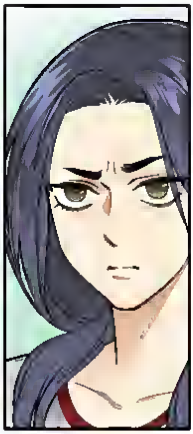
Hey, how does this look to a girl when a guy wears it? Does it get your heart going and stuff?
How is it?
How is it?
The finishing touch to fashion is your face Mr. Customer~
But my face is fantastic!



The thing is...
I might get together with Berry again.



We decided to meet up near here soon. I'm going to go out looking my best.
Wish me luck.



What trick did you used to drag Berry out this time?
Whot? Trick? Why do say things like thot?
She soid it was okay when I osked to meet up.
Isn t it obvious she would think of me since she called it off with Walnut Kong?

You're crazy, that's all?
You obsessed over Berry that much and made her suffer, and you think now is your chance?
You're seriously selfish.

...Even you say that?

Why are you and Sage Dan both saying that? Did you plan all this?
What makes me the one that tormented Berry?

EVEN THE THING WITH SAGE AND BERRY NOT GETTING ALONG ANYMORE, HOW IS THAT MY FAULT?!
IT'S FUNNY HOW YOU THINK EVERYTHING IS MY FAULT, YOU DON'T REALIZE HOW YOU GUYS ARE MAKING ME SUFFER.

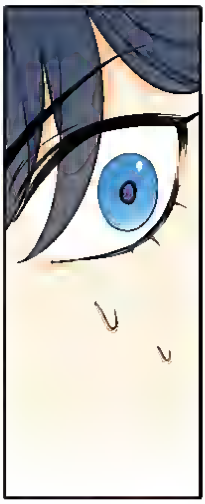
You know what Sage Dan said? She wanted to go out with me again! Isn't there something wrong with her head?
She stole the ring and was jealous of me and Berry and even said weird things to her! Isn't that enough?
How much more do you plan on making me suffer?!

Doing everything possible to interfere, it's bothersome, stressful and seriously irritating!
This is why nothing works out for people who can't take a hint, if she knows I like Berry she should know how to give up...
Pfft
HAHAHAHAHAHAHA
HAHA
Pft
Heheheheh

WHY ARE YOU LAUGHING?! WHAT'S SO FUNNY?!
Wow... Who'd have though I'd hear those words from you.

Don't you think you've heard those words before?
Are you hating on your own kind?

They say retards play with retards.
Did you flirt with Sage because you recognized your own kind?
The pitiful kids met up with each other, huh?



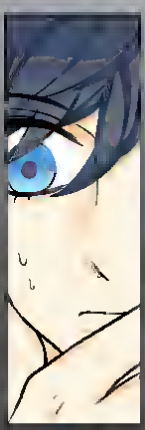
WHY ARE YOU GROUPING ME WITH HER?! SHE'S DIFFERENT FROM ME!
I LIKE STRAWBERRY SINCERELY, SHE'S JUST OBSESSING OVER ME!
SHE'S JUST GRABBING AND CLINGING ON TO ME WHILE BEING DRUNK ON HER OWN EMOTIONS!
Wait.
There's no need to explain everything to me.

You told me the least I could do was to ignore what you do.
I'm not curious about anything you do; what it is you are thinking or how you do things.

I'm just worried about Berry.

Just don't hurt someone who's going through hard times already. Okay?

Saying that we are alike makes no sense.
I really like Berry and she likes me too.
Really for Berry I...



For Berry...
Berry also...

What's this? Something is strange

Did Berry also...

Feel the way I feel about Sage?

No, there's no way!

Yeah, Berry would know even if other people don't.
Berry would know how I feel

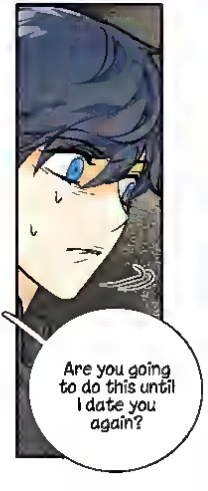
You're here early... Did you wait long?

.....

Hey... The thing with you agreeing to meet up with me...
I should be happy about it right?

Since you broke up with Walnut
there's nothing wrong with me liking you, right?
What if I say no?
If I say no, are you going to give up?
NO! I DEFINITELY CAN'T!
I LIKE YOU...
Then why did you ask?

My opinion isn't important.
You're going to do whatever you want.



Are you going to do this until I date you again?

Why the change of heart?

It doesn't matter what I feel anyway.

Aren't you fine with dating me?
You're the one willing to do anything to go out with me.

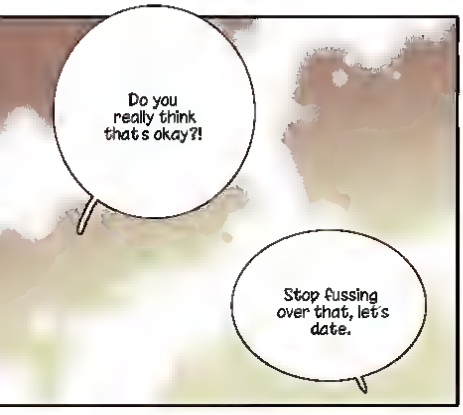
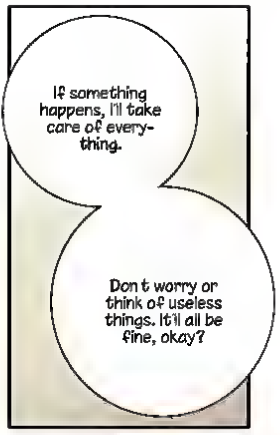
Whether or not you think of Walnut while meeting me or if you can't forget him.
I don't care, no, that's not even important.
You're next to me.

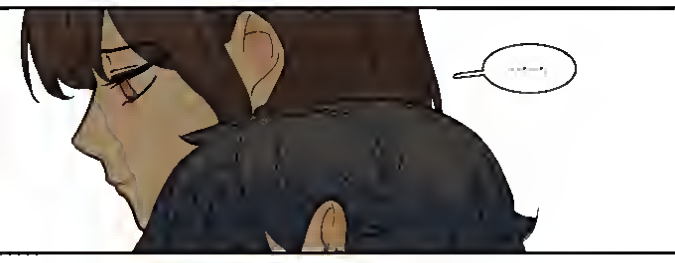
I need you.
That's it, I don't wish for more.

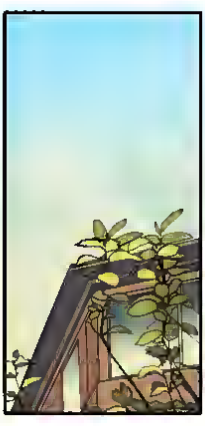


Do you really think that's okay?!
Stop fussing over that, let's date.



If something happens, I'll take care of everything.
Don't worry or think of useless things. It'll all be fine, okay?





What?
Say that again.

Berry and I decided to go out again.

We will take care of the things that happen between us so don't say anything to Berry.

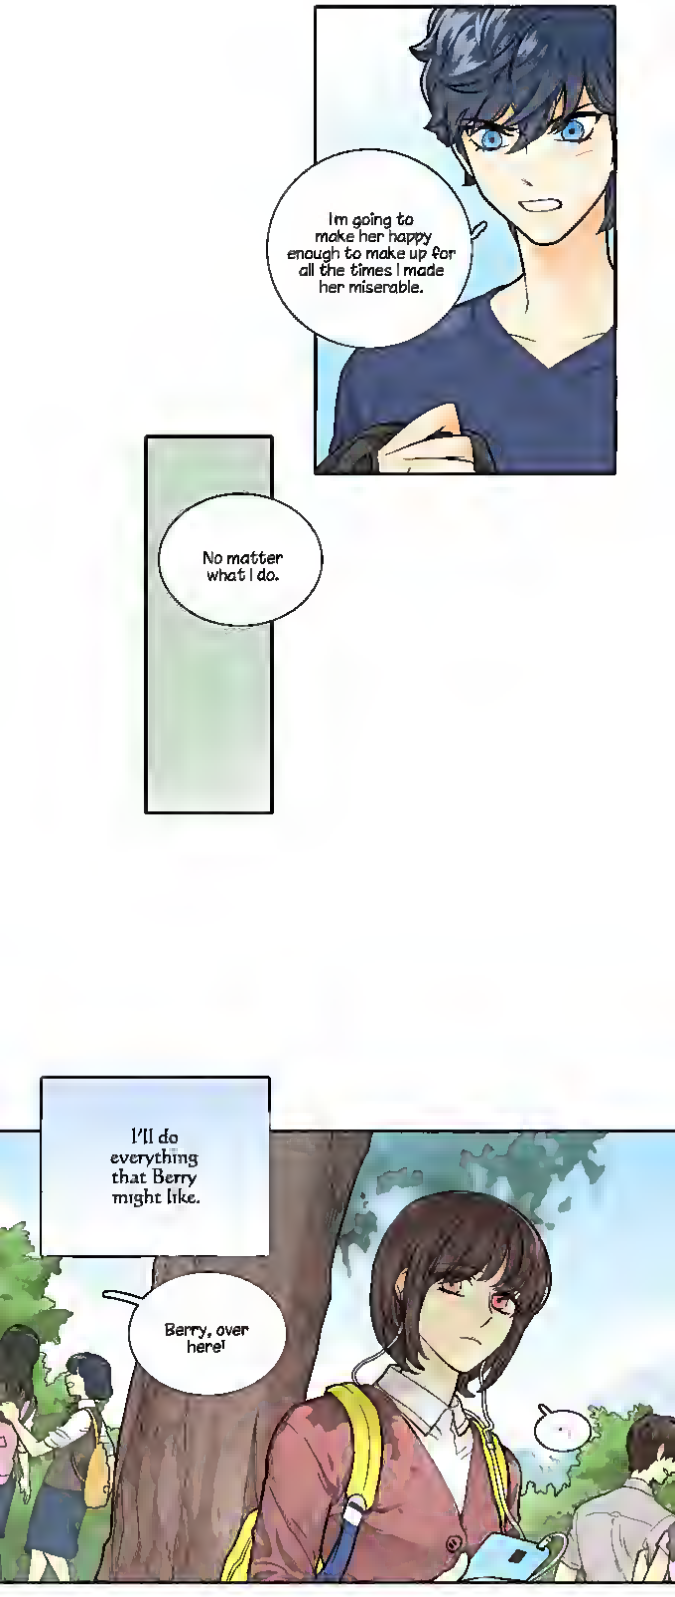
Chapter 105

If you're done, then leave.
Why? Do you want to be alone?

I can't let my ex-girlfriend keep coming over to my house when I have a girlfriend.
!!

Why are you saying something so logical? It's scary.
I'm going to do my best for Berry from now on.

SFX: Gasp



I'm going to make her happy enough to make up for all the times I made her miserable.
No matter what I do.
I'll do everything that Berry might like.
Berry, over here!

Sorry, were you waiting long? The class ended late so...
Here, I bought this for you.

You said you wanted a candy bouquet, right?
Ah, I don't really like...
N-no, thanks.

Aren't you hungry? Do you want to go to the handmade pizza place we always used to go to?
You liked that place, right?

The new menu there is...
I don't like that place.

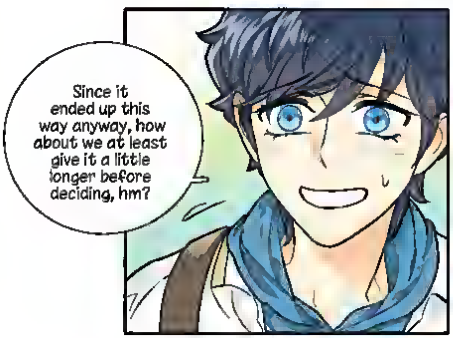
You're the one that liked it.
I don't like pizza but I went with you since you like it... Don't you remember?

That's what happened? What else am I misremembering?
Mandarin Kim...

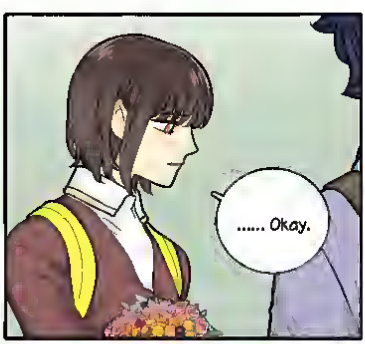
I think this is too weird after all.
Huuh? Why?
I said something like that yesterday because I was tired but...

I think it would be better if we didn't go out.
I like Walnut so...
I TOLD YOU, ALL THAT DOESN'T MATTER!
WHY DO YOU KEEP BRING UP THAT BASTARD'S NAME?!

N-no... I'm sorry for yelling.
I didn't get mad...
I just want to focus on our relationship...



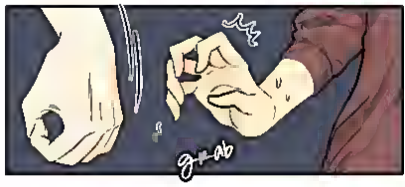
Since it ended up this way anyway, how about we at least give it a little longer before deciding, hm?



..... Okay.

Then let's find a good place on this street. That's okay, right?
Oh... you mean by the city? Can't we go somewhere else?
I've been here a lot with Walnut.
Haa.
But the only stuff to do nearby is all here.

It's going to be okay if you come with me.
Now stop talking about that bastard...

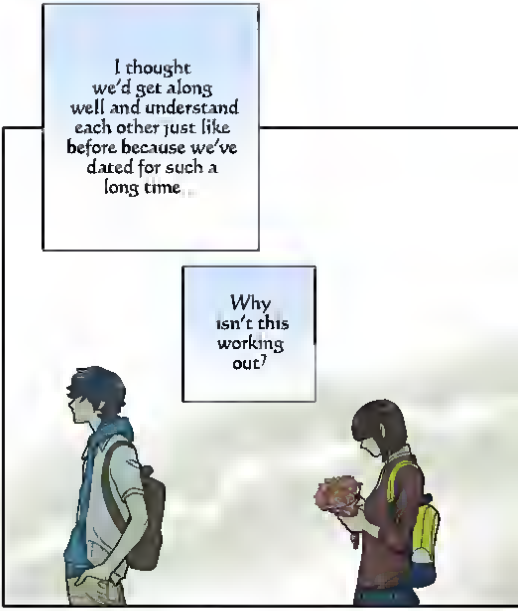


Jut
Grab

Wh-why?
No, that's what I want to ask you...?
We never really went around holding hands in the first place.

It's not like we never held hands before...
Alright, I get it, for now lets just get going.
Ok...

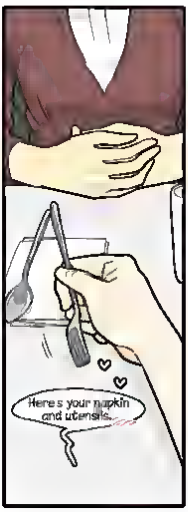
What's this feeling?



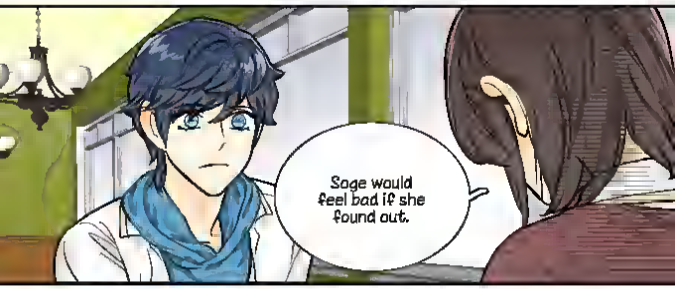
I thought we'd get along well and understand each other just like before because we've dated for such a long time...
Why isn't this working out?

Hong's Deli

I told Cherry that I'm dating you again.
Does that relieve you a little?
Pour



Here's your napkin and utensils.



Sage would feel bad if she found out.

...Does it bother you?

You originally... wanted to get along well with Sage, right?
Do you still want to make up?
That's going to be hard.
You saw it too.

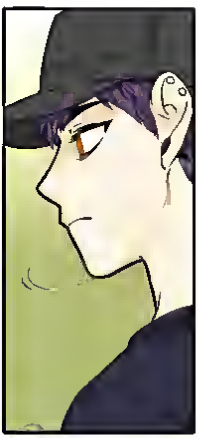
How much she hates me.
How could I think of you as a friend?
It's just as you say, I don't like you.

This is all your fault!
If you just didn't ask me out...
-It's not my fault. I'll just ignore Sage Dan's ramblings-
O-ok...

SFX: Slide
I-I'll go get the food.
Okay.

Should I put in chopsticks?
No, it's fine.
I recognize that voice?!

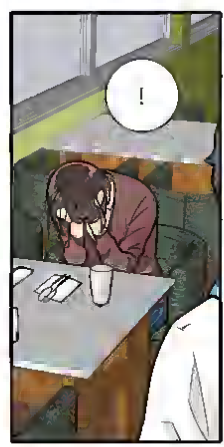
Here is your order~



Wow... Why of all people is that bastard here?!
Crap, this neighborhood is smaller than I thought..
Have a nice day

Come to think of it Berry said she hung out with Walnut a lot around here...
So it was true. Who knew I'd see him here?

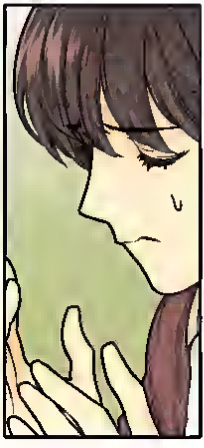
I knew we should have gone somewhere else, even if it was inconvenient



!

D-did you see?
Berry, I'm sorry. I shouldn't have said to come here...
I really don't think this is right.

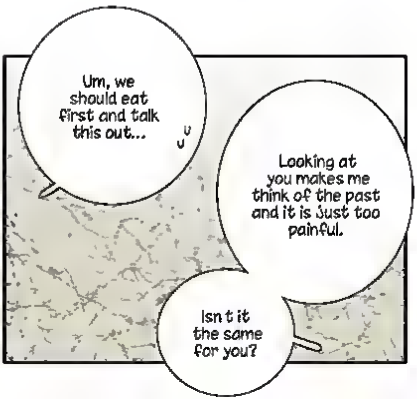
It's that again?
Sage and Cherry are on my mind and...
more than anything...



Can you trust me?
We both lied to each other and made each other suffer.
But can you still trust me and like me?

I can't. I can't trust you. I don't think you would be able to trust me either.
What kind of relationship would that be?

I'm going.
W-wait where are you going all of a sudden?



Um, we should eat first and talk this out...
Looking at you makes me think of the past and it is just too painful.
Isn't it the same for you?

Painful?
When I'm with you...

...

I get it, if it's too hard on you then go.
Just know this; I'm really going to change from now on. I'll become the person you want me to be...
I'll text you tonight. Reply when you can.
...Okay.

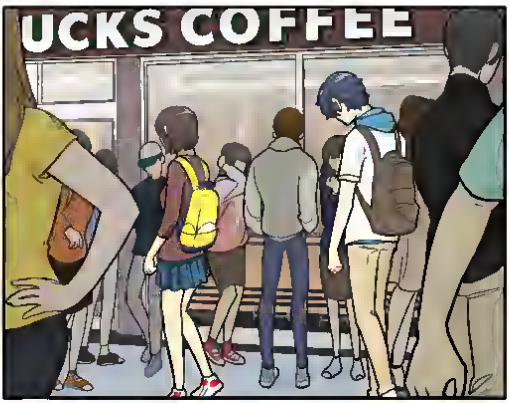
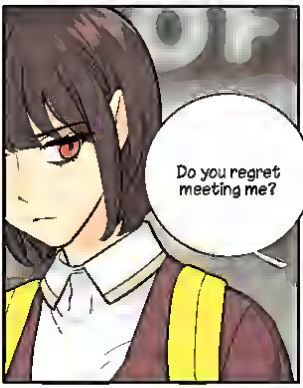
Chapter 107



UCKS COFFEE



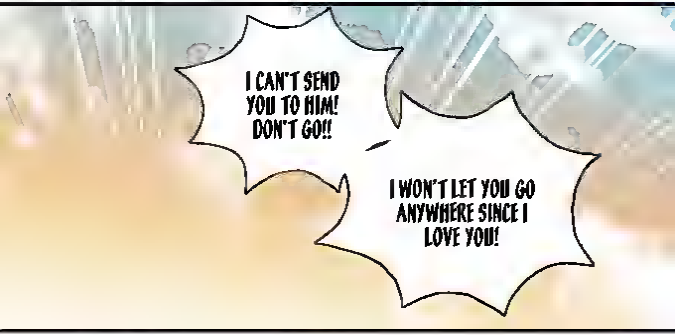
Do you regret meeting me?

Are you asking me to break up with you now you've seen Walnut Kan-? Am I worth that little to you?
Don't you think that is a bit much?

You knew me before you knew Walnut. I was first.
You dated me for over a year, but is it just that easy for you to throw me away?

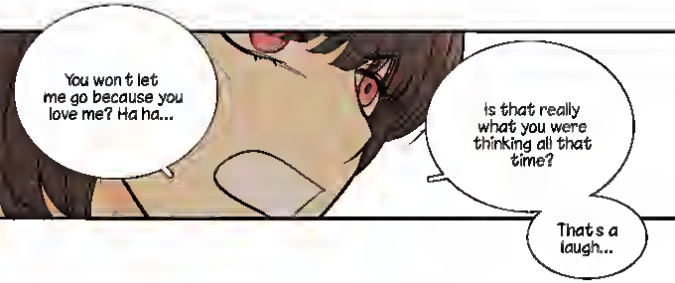
The days we spent together and the conversations we had, do they really mean nothing now?

I... can't. It's impossible for me, something like that...
I can't let go.



I CAN'T SEND YOU TO HIM! DON'T GO!!
I WON'T LET YOU GO ANYWHERE SINCE I LOVE YOU!

...Is that all you want to tell me?
Can I tell you what I want now?



You won't let me go because you love me? Ha ha...
Is that really what you were thinking all that time?
That's a laugh...

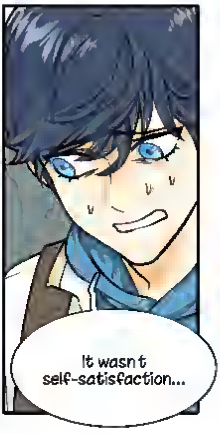
If you really do love me that much, shouldn't you think about me too?
What have you done for me so far? Have you done anything other than threaten me?

"I can't give you up.", "Even if you go to Walnut, he'll just throw you away."
"If you leave me I'm going to die."...
You said that right?

And now what...?

You think you're holding on to me because you love me?
You're wrong!
You use the excuse that you like me so that you can torment me... You're just doing what you want while obsessing over me.
And I've just let you...

I was stupid too... I didn't realize who was really special to me.
I wasn't able to break it off properly and I almost lost everything as a result.



It wasn't self-satisfaction...

I just couldn't stand the fact that you weren't by my side...
I bet it feels good to let out your feelings in a mess like that.
It must be nice, being able to dump all your emotions on me.

You can only do this to me because you don't care if I'm suffering or miserable, as long as you're satisfied.

If you care about me at all, just let me go.
W-wait...

Do you still think your emotions are more important?
N-no it's not like that...

...The, ah, yeah... Im sorry.
It might... be something like that. But I don't like it as much as you think.

You don't know how much I suffered until now.
Do you think I was fine with just chasing after you?

I hope you know it's been tough on me too.

I didn't make you keep holding onto me, your obsession was your problem. Do I really have to know about that?
Even now, I keep telling you I'm suffering but you only talk about yourself.

That...

Then
why did we
meet?

If you leave me like this, all the time we spent together means nothing.

If you decide to throw me away, I really have no one.

I don't want to forget our relationship!

It's the same for me. I cherish those memories too.
But that's something we can't go back to.
We aren't the people in those memories anymore, we left them behind us.
Just like how the Darin I longed for is stuck in the past, you're longing for the me you remember.
So, the person you're looking for is no longer here.

You know, I felt like I was a pitiful person while I was dating you.
I was dating you because I liked you, but on the inside I kept comparing us.
You knew I was losing my self-esteem but you didn't care about it.

It was Walnut who could see that part of me.

Walnut... looks right at my inadequacies and tries to understond me.
I'm glad I came to like that about Wally.

I want you to be happy too.
Because you are someone that I used to like.

...If you don't have anything else to say, I'll be leaving.
Come with me.

I'll see you home.

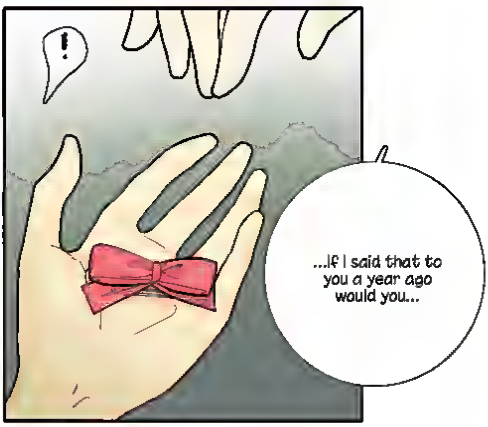
It's this way, right?

Hey...

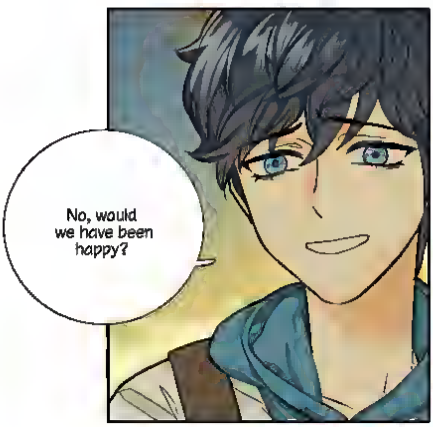
Hm?

Will you accept this?

Berry, you're someone so pretty and full of charm that I've fallen in love with you.
I...



!
...If I said that to you a year ago would you...



No, would we have been happy?

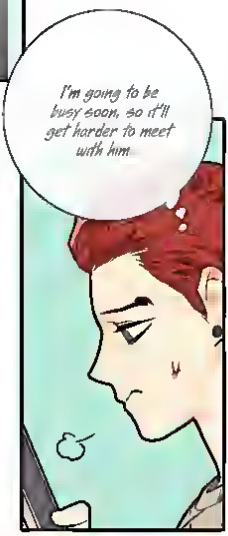
Cherry Boy, That Girl

Chapter 108

Where is Darim Kim, and what is he doing that he can't even answer his phone?



I'm going to be busy soon, so it'll get harder to meet with him.

Now that I'm about to say it, it seems strange and awkward but it would be for the best to tell him today.
What are you doing over there?

I had something to tell you so I waited. Why can't I get ahold of you?
Did you just get here?
I was with Berry.

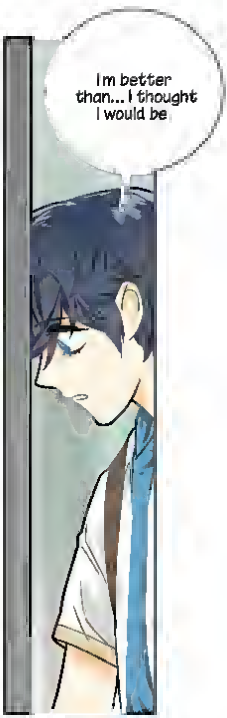
You were with Berry?
Are you really going out with her again?

It seems we always end up getting together in rough times.

...I decided to give up on Berry.
!

It's completely over.
I had no other choice but to let her go.

Are you okay?
beep
beep
beep



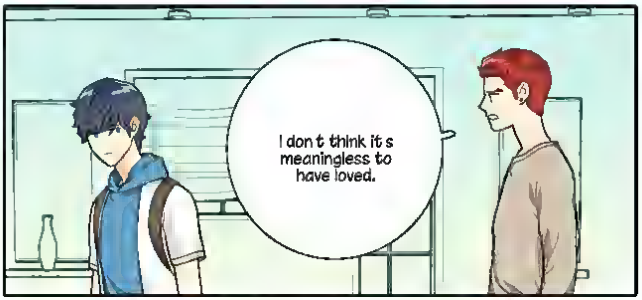
I'm better than... I thought I would be

At first it was really hard and painful, but since then we were separated so often...

After I talked with Berry and the breakup was final
I felt strangely calm.
Berry said,

the person I was loving and believing in...
didn't exist, that it was only a delusion.
She said the one I'm obsessed with is the Strawberry Shin in the past and not who she is now.
The moment I heard that it felt like my feelings for Berry lost their purpose.
After all, liking the Berry from the past isn't worth anything.

That's why it felt empty.
Loving a delusion is definitely... a hopeless thing.
Especially when you made Berry suffer so much. Even so...



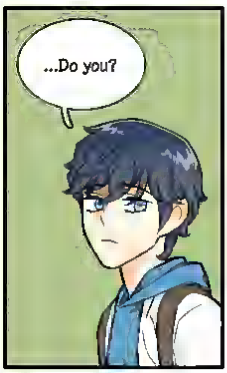
Even if you loved a Berry who doesn t exist anymore, that doesn t mean your feelings never existed either.

Although the effort doesn t always pay off, the feelings of love doesn t become less special.

I think the meaning of what you feel is worth it in that way.

...That does seem like good advice, but
you can only say that because it's not your business.

Well I did Just blurt it out like that,
it makes sense that you wouldn't understand something so complicated.
I understand.



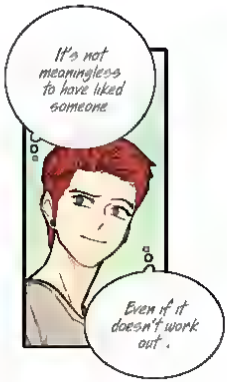
...Do you?

Forget that, you said you came to tell me something. What is it?
Now that I think about it, I don't think it is that important so I won't bother.
You'll find out later anyway.

I got ta see you, so I'll go now.
Wait Pear Kang.

You worked hard, listening to me rant. Bye.

Clack
.....



It's not meaningless to have liked someone
Even if it doesn't work out.

That is already enough

Hyung, are you really not going to school today?
Yeah, you go first.
...Ok.

Berry hasn't contacted me yet

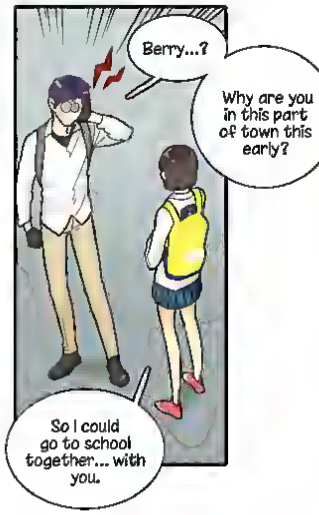
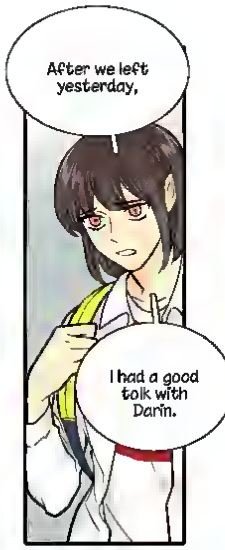
[ok]

SFX: Stomp x5

SFX: yell!!



Berry...?
Why are you in this part of town this early?
So I could go to school together... with you.



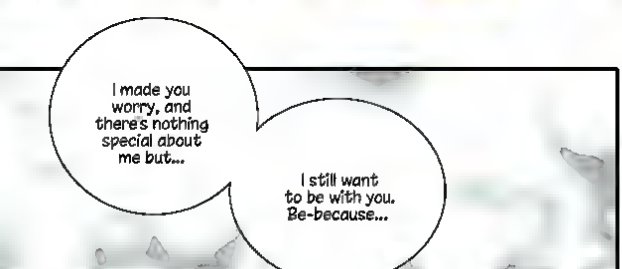
After we left yesterday,
I had a good talk with Darin.

What did you talk about?
Darin promised he would sort out his feelings and never bother me again.

...
Daryn said that?

That's a relief
...Seriously...?

I'm sorry for letting you worry since then.



I made you worry, and there's nothing special about me but...
I still want to be with you. Be-because...

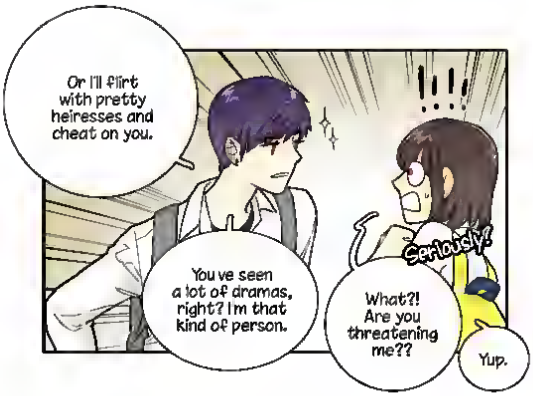
SFX: Dizzy

Wait...
Get away from me for a moment. I feel nauseous.
OH!
I'm showing symptoms again because I didn't take my medicine after I broke up with you.
Eh?
Is it because you don't like me?

SFX: Blergh!!

You idiot, there s no way I wouldn t like you.
I'll get back on my medicine and hug you lots.
Heh...

.....Next time...
Don t you dare follow Mandarin Kim to his house or meet with him again.



Or I'll flirt with pretty heiresses and cheat on you.
You've seen a lot of dramas, right? I'm that kind of person.
!!!
Seriously?
What?! Are you threatening me??
Yup.

That's so childish. This kid's changed for some reason-
So childish...
What are you doing? Let's go to school.

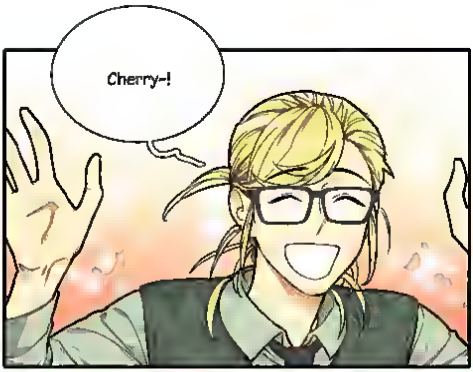
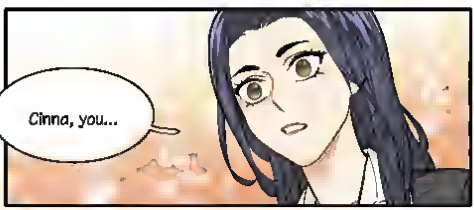
Cherry Boy, That Girl

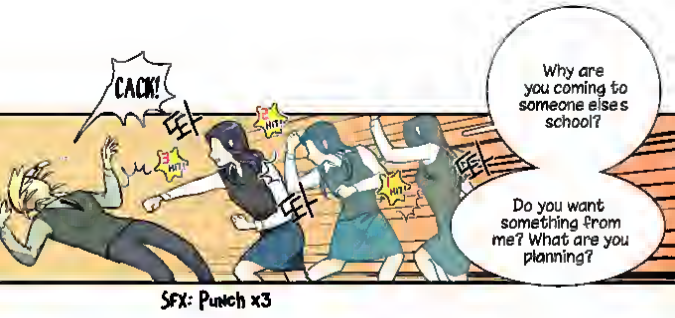
Chapter 109



Cherry-!

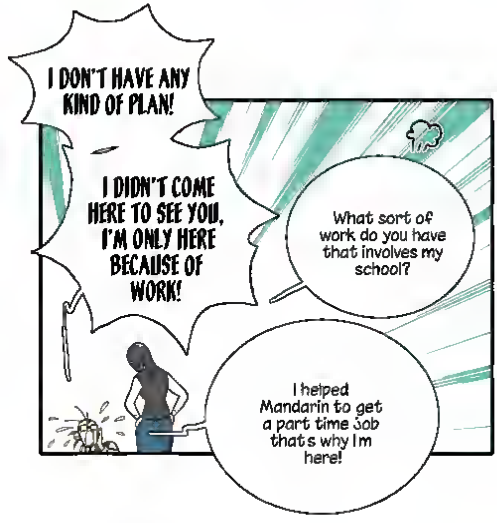


Cinna, you...



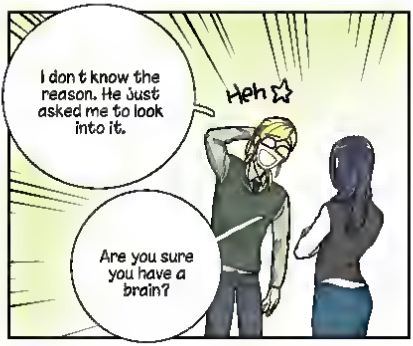
CACK!
HIT!
HIT!
HIT!
Why are you coming to someone elses school?
Do you want something from me? What are you planning?

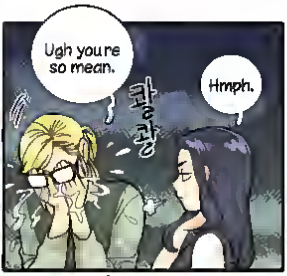
SFX: Punch x3



I DON'T HAVE ANY KIND OF PLAN!
I DIDN'T COME HERE TO SEE YOU, I'M ONLY HERE BECAUSE OF WORK!
What sort of work do you have that involves my school?
I helped Mandarin to get a part time job that's why I'm here!

Part-time?
What kind of job is Darin doing?
?!
Why would he work part-time?





SFX: Sob x2

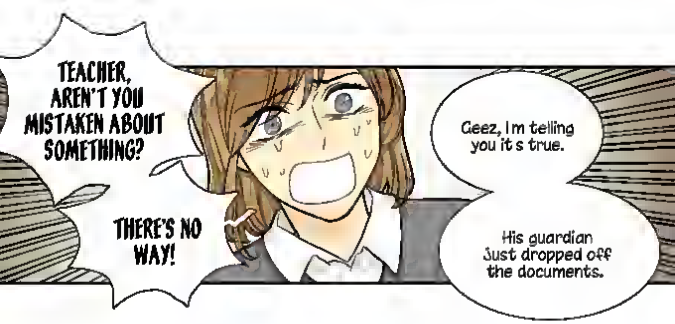
T/L Note: The gesture Cinna is making means money

I mean wouldn't it be because he needed money?

Chief Director, should I prepare tea?

Why is there money here?
A boy asked me to give it to you so he could pay something back and I accepted it.
What'd he say... something about the price of a ring?

Hm...



TEACHER, AREN'T YOU MISTAKEN ABOUT SOMETHING?
THERE'S NO WAY!
Geez, I'm telling you it's true.
His guardian just dropped off the documents.

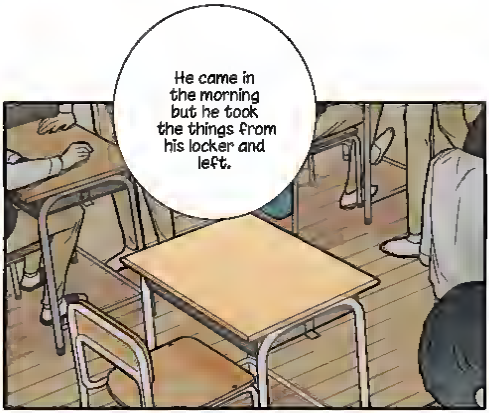
He was a good looking kid, it's a little sad that he's leaving.
...Huh? Are you crying?

I called you here about your punishment for stealing that ring. What's wrong?

HUH? WHERE ARE YOU GOING?!
COME BACK!
Dash

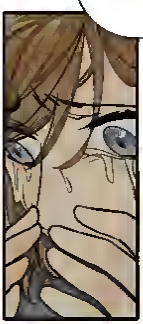
SFX: Slide

Man... Mandarin Kim...
Isn't he here?



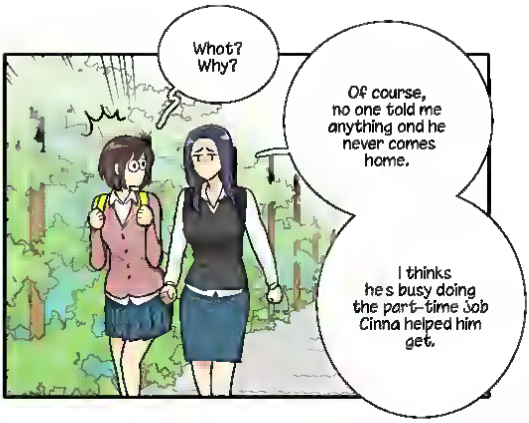
He came in the morning but he took the things from his locker and left.

THUD



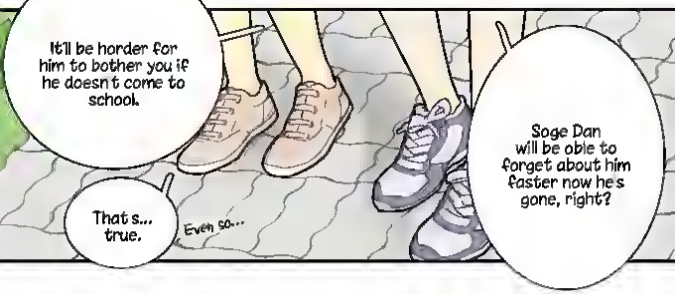
Hey, are you okay?

SFX: waaaaaaaaaaaah



Whot?
Why?
Of course, no one told me anything ond he never comes home.
I thinks he s busy doing the part-time Job Cinna helped him get.

...Is it because of me...?
It doesn't seem like he got in trouble for the ring incident, so exactly why did he drop out?
It s a good thing though.

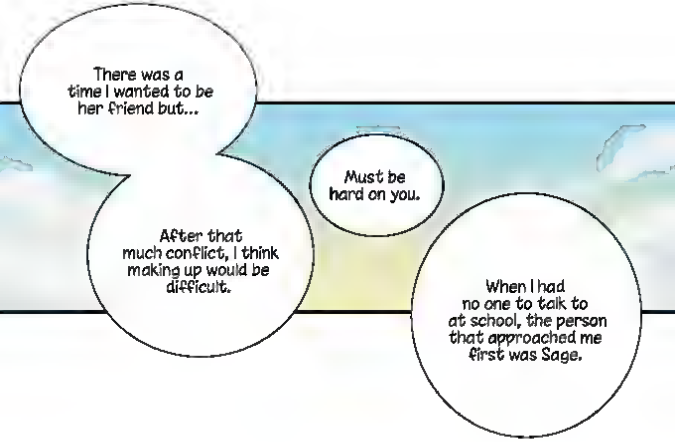


It'll be harder for him to bother you if he doesn't come to school.
That s... true.
Even so...
Soge Dan will be able to forget about him faster now he s gone, right?

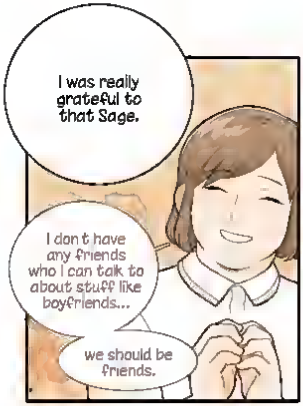
WHY ARE YOU APPROACHING DARIN NOW?!

Is Sage... going to be alright?
What, are you worried?
It's just a little...

Do you want to make up with Sage?
I don't really know.

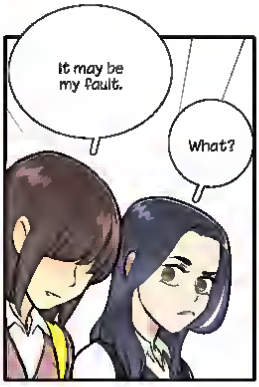


There was a time I wanted to be her friend but...
Must be hard on you.
After that much conflict, I think making up would be difficult.
When I had no one to talk to at school, the person that approached me first was Sage.



I was really grateful to that Sage.
I don't have any friends who I can talk to about stuff like boyfriends...
we should be friends.

It wasn't your fault, you guys fought so don't mind it that much.



It may be my fault.
What?

When I look back, both Lime and Sage were people that could've been my friends.
But now? Those relationships only ended up causing hate.
In middle school I thought if you were popular you'd get a lot of girlfriends and boyfriends.
I wanted to became a different person and be popular and happy...

I pushed myself to lose weight and pretended I was popular, but I don't think anything changed.
Just like with Lime, my relationship with Sage turned into a disaster, so at this point, I think I might be the problem.

빠직
Huh...

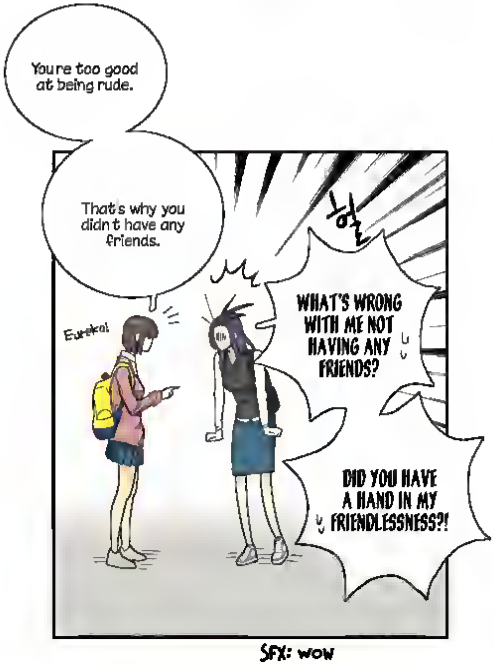
SFX: Glare

You must think you have a huge effect on people, huh?
What?

Are you saying your current relationship with Lime and Sage is all your fault?
Are you that much of an amazing person?
If you were popular, nice to your friends, and didn't make mistakes,
are you saying it would have turned out to be the good relationship you intended it to be?
That's not even self-loathing, that's just arrogance.
Thinking that everything will be fine as long as you do well.
Stop acting nice and pitiful.
It pisses me off.

...You really...

Shit, did I go too far?

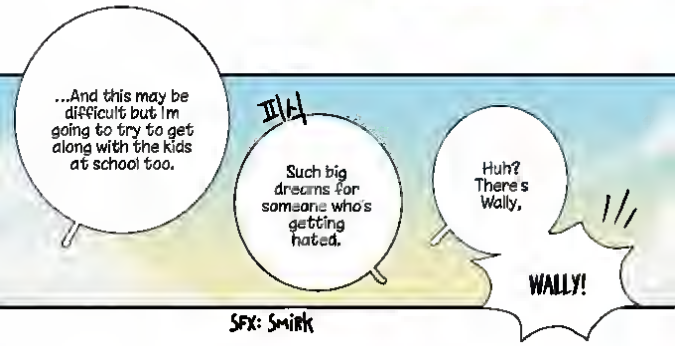


You're too good at being rude.
That's why you didn't have any friends.
Eureka!
WHAT'S WRONG WITH ME NOT HAVING ANY FRIENDS?
DID YOU HAVE A HAND IN MY FRIENDLESSNESS?!

SFX: WOW

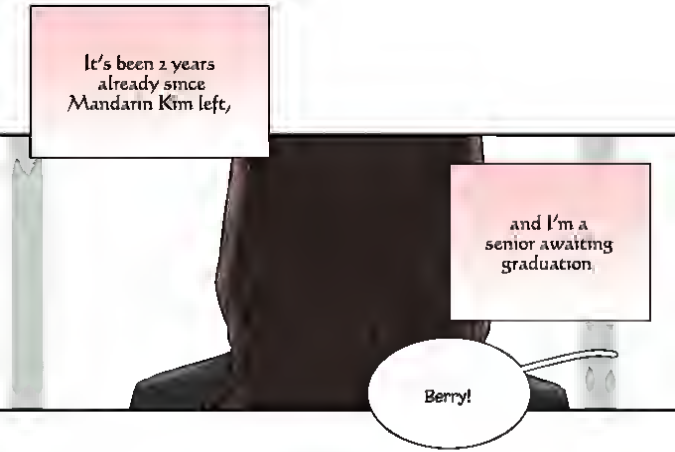
You're doing this because you don't want to see me stress, right?
Alright I'll stop now.
...Hmm.
You know,

I don't want to become someone that is pretty or handsome, I want to become someone who could be content with who I am.



...And this may be difficult but I'm going to try to get along with the kids at school too.
Such big dreams for someone who's getting hated.
Huh? There's Wally,
WALLY!
SFX: SMIRK

Time flows.



It's been 2 years already since Mandarin Kim left,
and I'm a senior awaiting graduation
Berry!

Ah, Cherry.
Oh, you got one already?
You're going tomorrow, right? Let's go together.

Wedding

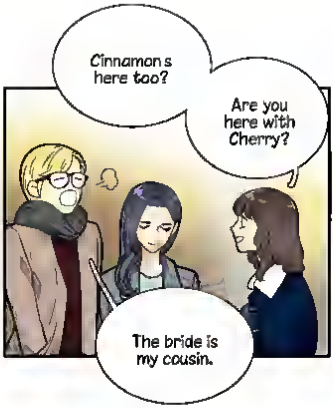
Cherry Boy, That Girl

Chapter 110

Hilton

Cherry!

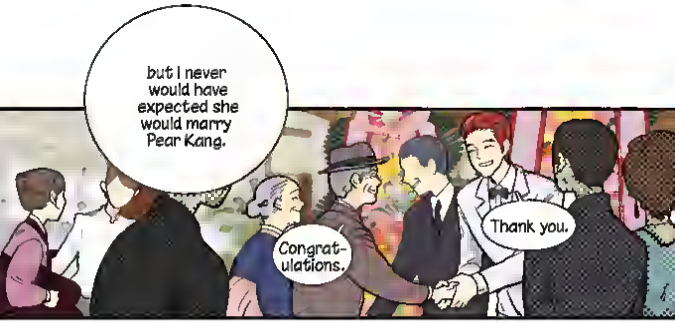
Hey, Strawberry!
Over here!



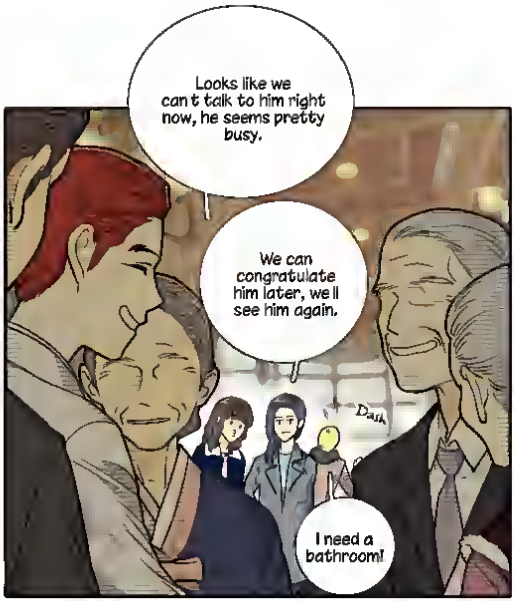
Cinnamon's here too?
Are you here with Cherry?
The bride is my cousin.

I was going to ditch, but I still got dragged here.
annoying...
To think the groom would be Pear Kang...
Who's the bride? What kind of person is she?

She's not a bad person...
Ugh!
I need to poop!

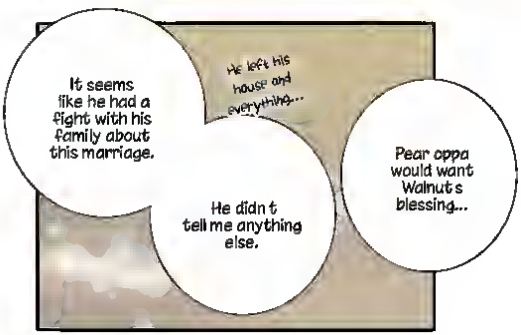


but I never would have expected she would marry Pear Kang.
Congrat-ulations.
Thank you.



Looks like we can't talk to him right now, he seems pretty busy.
We can congratulate him later, we'll see him again.
Dark
I need a bathroom!

Okay.
Where's Walnut?
He's not coming.



It seems like he had a fight with his family about this marriage.
He left his house and everything...
He didn't tell me anything else.
Pear oppa would want Walnut's blessing...

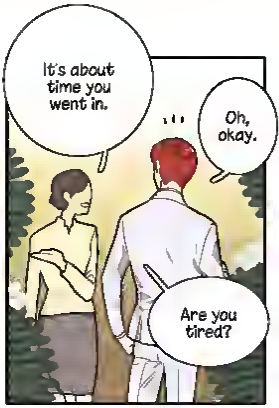
It is an arranged marriage, so...
I can understand why he would be against Pear marrying at 21.

That felt good. I feel like I lost 2 kilograms!
I didn't need to hear that.
SFX: Eww...

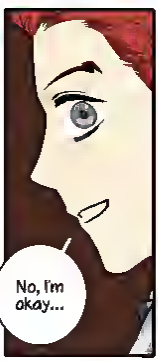
By the way, while I was going to the restroom,

I think I saw Mandarin Kim.
No way!

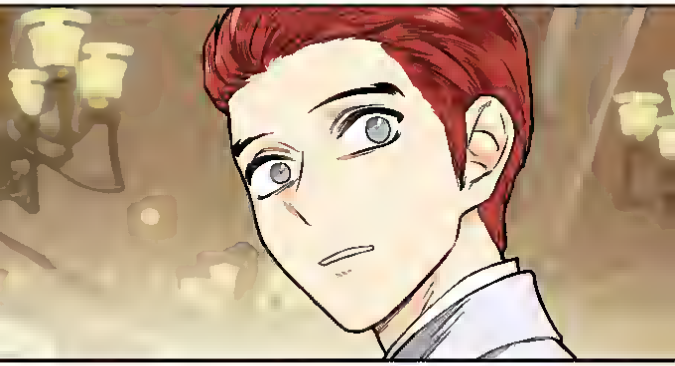
SFX: Pant x2

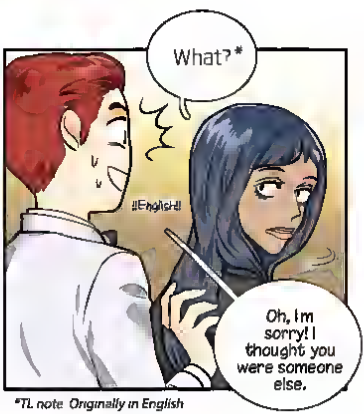


It's about time you went in.
Oh, okay.
Are you tired?



No, I'm okay...





*TL note: Originally in English

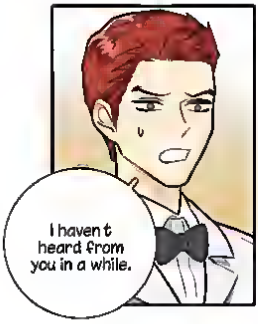
What am I thinking.. ?

Seonbae.
There's no way that person would be here.

At least turn around when I call you.

You were here?
I heard you were getting married. I came to congratulate you.
I'm surprised you knew about it.
I heard you became a model?
A fitting model*.
I'm also doing some other work nowadays too.

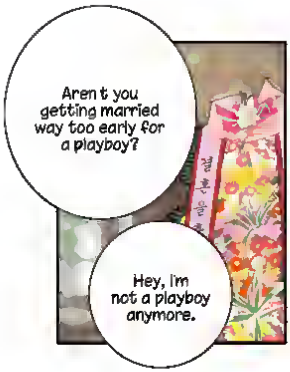
T/L Note Apparently it's a real job, it's called a fitting model (or fit model) https://en.wikipedia.org/wiki/Fit_model



I haven't heard from you in a while.

Why did you suddenly quit school?
Do you know how shocked I was?
No reason.
I just didn't want to be at school.

I thought it would be harder to forget if I still saw everyone.



Aren't you getting married way too early for a playboy?
Hey, I'm not a playboy anymore.

Settling in already?
You wouldn't be asking that if you had met my wife.

ROAR
She's some legendary career women or something. She's like a tornado.
That's...
Scary.

She has a lot of good points as well.
I honestly respect her.

Ho...
I'm Jealous.

Why don't you get married soon too?
Someone as feeble as you could use some taking care of.
I don't want to rely on someone else anymore.
I got over that.

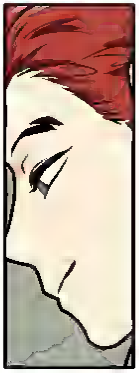
I need to go now.

Call me later.

Thank you.

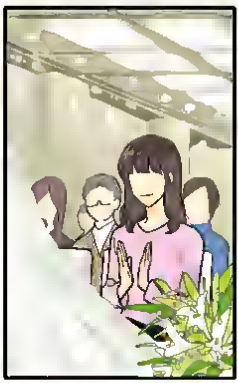
At that time, I was too focused on myself to notice, but,
once I started living alone, every now and then I thought about you.

Thank you for helping me back then.
I'm very thankful.



There's plenty of food, so take your time to enjoy it.
See you later~

Here comes the bride.

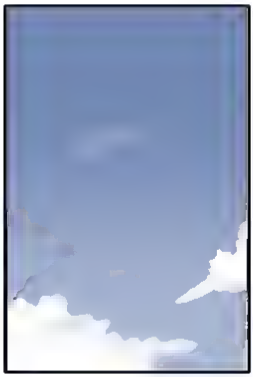


Oh, you came?

Didn t you say you were going to leave your house because you were against this marriage?
Just because I came, doesn t mean I approve of this marriage.

I don t like it at all.
But if he s getting married, there s no way I can miss his wedding.
It s the least I can do.

What a good boy.
Is that unusual?
Good good ♡



I got into college!
But,
it's 3 hours... from here... by car...

3 hours...!
It's a little bit far from my school... But at least you got in.
Cherry said she was going to travel for a while.
Everyone's going their separate ways.
And now I'm going to be in a long distance relationship with you...?!

ARE YOU GOING TO HAVE AN AFFAIR? ARE YOU GOING TO ABANDON ME?
He's having an affair!
What a joke!
I WON'T! I TOLD YOU I WAS JOKING!

I can't joke about an affair ever again
All my friends are going away.
I'm feeling nervous now.
Gulp

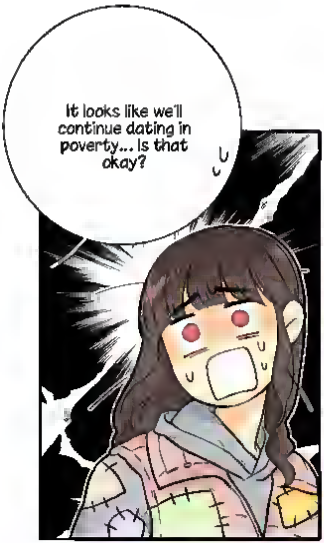
SFX: Throb

I thought everything would work out great in high school, and that was a mess.
Nothing has changed.
You'll do well even on your own.

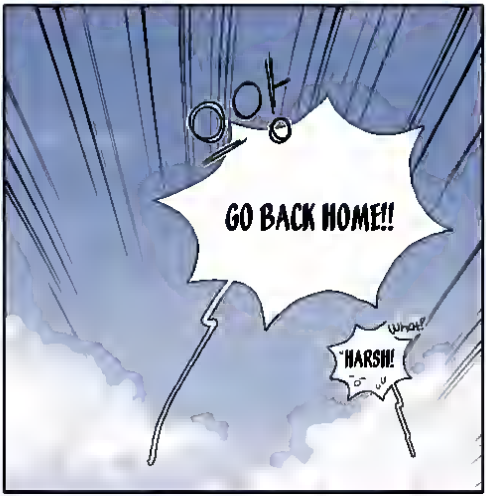
You don't need to rely on luck,
as long as you are just as honest and straightforward as you are now, everything will work out.

Really...?
By the way, I'm living on my own now.

I got into a fight with my mom, and it somehow ended up that way...
So about the trip that we were going to take,
cancelled ...
WHAT?
Why so suddenly...?



It looks like we'll continue dating in poverty... Is that okay?



SFX: waaaaa

Ultimately they went on the trip with money they earned through their part time jobs.

Upon completing <Cherry Boy, That Girl>

Thank you for reading
this work until to the end despite
its flaws.

To the World Inside Manhwa*,
who gave me a chance to publish my work,
everyone who helped me in making this series,
and all the readers,

I will do my best to repay everyone's
kindness with better work in the future.

Thank you.
